COUNTY MANAGER NOTES
Perquimans County Board of Commissioners
REGULAR WORK SESSION
Commissioners' Room - Courthouse Annex
September 17, 2018
7:00 p.m.

- III.A. **Enclosures:** We need to make the following Board appointments in October. The Board will need to discuss the appointments so that they can make a recommendation at the October meeting:
1. **Planning Board:** The Board was notified at their September 4, 2018 meeting that Paul Kahl's last term on the Planning Board expires on September 30, 2018. The Board will need to appoint a replacement. A copy of the current Volunteer Applications is attached. Also, we received a new application from Tim Corprew which is also attached. Ben Hobbs has made mention that he would like to serve but the Clerk to the Board has not received an updated Statement of Interest to Serve from him.
 2. **Board of Adjustment:** Pete Overman's term on the Board of Adjustment is due to expire on September 30, 2018. Currently, Debbie Reed and Ben Hobbs serve as Alternates. The Board will need to discuss whether or not they should appoint one of those alternates if they would to move to a member status. If they are not willing to move to a member status, then the Board will need to discuss and make a recommendation for appointment in October,
- III.B. **Enclosures.** The Board was provided a copy of the attached Resolution supporting the passage of Senate Bill 711-NC Farm Act of 2018. Charles Woodard feels that the Board should support our farmers and that the Board should consider passing a similar Resolution in October.
