**Publish in Perquimans Weekly on October 24, 2018**

**Perquimans County Planning & Zoning Staff Report**  
**By Rhonda Money**  
**For BCC Meeting November 5, 2018**

**SUBJECT:** Conditional Use Permit No. CUP-18-04, requested by Mildred Henry to re-establish a convenience store at 172 Bethel Fishing Center Road (SR 1356). Property is zoned CN, Neighborhood Commercial District and known as Tax Parcel No. 2-D070-0101A-BF.

### **Project Description/ Research & Analysis**

#### **Background/Proposed Layout:**

Ms. Mildred Henry is seeking approval to re-establish Bethel Fishing Center store located on a 1.21 acre parcel. The subject property is at the dead end of a state road and is surrounded on three sides by water. The structure and its previous use as a convenience store pre-date Perquimans' Zoning Ordinance; it was in operation 28 years. The existing situation is considered a 'nonconforming situation' as defined in Zoning Ordinance section 1201(g). It was closed approximately 18 months, therefore per section 1207(a) the property "may thereafter be used only for conforming purposes," hence the need for a Conditional Use Permit. Repair and maintenance are encouraged where nonconforming situations exist. Renovation, restoration, or reconstruction is allowed if the work is estimated to cost less than or equal to twenty five percent (25%) of the appraised value of the structure to be renovated, restored, or reconstructed (section 1205).

Ms. Henry would like to operate a small sandwich counter inside the store and has allowed Albemarle Regional Health Services (ARHS) staff to do a site visit to offer suggestions. ARHS staff (Jon Morgan) believes a sandwich counter may be established with minimal renovations. Based on Tax Department Property Card square footages and appraised values and the minimal renovations conveyed to me by ARHS staff, the renovation should be less than the 25% appraised value of the structure. Zoning ordinance section 907.16(B)(2) allows a maximum of 3,000 square feet of gross floor area which is met by the existing store, including its 2 decks. The applicant has 2 tables currently in the store which sit 6 and 8 people. Ms. Henry would also like to rent recreational items, like kayaks, to customers. No fuel sales will take place. In its many years of operation Ms. Henry has had no complaints from neighbors. She maintains a clean environment around the store and requires fishing boats that park there any length of time to be washed out to prevent offensive odors.

Bethel Fishing Center is the name of the store, the major residential subdivision surrounding the store, plus the name of the road the property is accessed by, thereby implying a high degree of neighborhood congruity.

**Definition in the Planner's Dictionary:** *Convenience Store* – Any retail establishment offering for sale a limited line of groceries and household items intended for the convenience of the neighborhood.

**Zoning Ordinance Article VIII, 'Convenience Store'** is listed in the Table of Uses as Conditional in the CR, CN, and CH zones.

**Zoning Ordinance 907.16 Convenience Stores (including self-service pumps), (E) Operational Considerations:** (1) The use shall be limited to providing convenience food sales and gasoline sales to the surrounding residential or agricultural area. (2) Other vehicular services, such as tire sales and service, auto repair, sale of auto accessories and supplies, etc., shall not be permitted, though an automated car wash shall be permitted. (3) No outside storage of materials shall be permitted with the exception of merchandise normally displayed or stored outside (e.g. ice, fire wood, bottled gas, Christmas trees, beverage and snack machines, newspaper stands and the like).

**Section 1201. Definitions of Nonconforming Situations Section (g) nonconforming situation:** a situation that occurs when, on the effective date of this Ordinance, an existing lot or structure or use of an existing lot or structure does not conform to one or more of the regulations applicable to the district in which the lot or structure is located. Among other possibilities, a nonconforming situation may arise because a lot does not meet minimum acreage requirements, because structures exceed maximum height limitations, because the relationship between existing buildings and the land (in such matters as density and setback requirements) is not in conformity with this Ordinance, because signs do not meet the requirements of Article XX "Signs" of this Ordinance, or because land or buildings are used for purposes made unlawful by this Ordinance;

**Section 1205. Repair, Maintenance, and Reconstruction (a)** With respect to structures located on property where nonconforming situations exist: (1) repair and maintenance are encouraged; (2) subject to the remaining provisions of this section, renovation, restoration, or reconstruction work is permissible so long as such work seeks only to refurbish or replace what previously existed and no violation of Article 9 occurs. The fact that renovation, restoration, or reconstruction work may require a permit under Article III "Administration" shall not make such work impermissible so long as the work is otherwise consistent with this section; (3) renovation, restoration, or reconstruction shall be allowed if: (a) the work is estimated to not cost more than twenty five percent (25%) of the appraised value of the structure to be renovated, restored, or reconstructed; and, (b) the need for such work is not the result of damage to the structure intentionally caused by a person with an ownership interest in such structure; or, (4) renovation, restoration, or reconstruction work estimated to cost more than twenty five percent (25%) of the appraised value of the structure to be renovated, restored, or reconstructed shall only be permissible if the permittee or property owner complies to the extent reasonably possible with all provisions of this Ordinance applicable to the existing use (except that the right to continue a nonconforming use or maintain a nonconforming level of density shall not be lost).

**Section 1207(a) Abandonment and Discontinuance of Nonconforming Situations** When a nonconforming use is discontinued for a consecutive period of one hundred eighty (180) days, the property involved may thereafter be used only for conforming purposes. (b) If the principal activity on property where a nonconforming situation other than a nonconforming use exists is

*discontinued for a consecutive period of one hundred eighty (180) days, then that property may thereafter be used only in conformity with all of the regulations applicable to the pre-existing use unless the entity with authority to issue a permit for the intended use issues a permit to allow the property to be used for this purpose without correcting the nonconforming situations. This permit may be issued if the permit issuing authority finds that eliminating a particular nonconformity is not reasonably possible (i.e., cannot be accomplished without adding additional land to the lot where the nonconforming situation is maintained or moving a substantial structure that is on a permanent foundation). The permit shall specify which nonconformities need not be corrected.*

**Setbacks:** Zoning Ordinance Section 704 list minimum building setbacks in a CN zone as 30 ft front, 20 ft rear, 10 ft sides and 40 ft from any waterway. The nearest corner from the structure to the bulkhead is approximately 12 ft, however the structure pre-dates the zoning ordinance.

**Parking:** Article XIX. Parking and Loading— For Restaurants & Cafeterias Section 1909 requires 1 space for every 4 seats at tables and 1 space for every 2 seats at counters. Retail Uses not otherwise listed require 1 space for each 400 sq. ft of gross floor area. One space is required for every 2 employees. Dimensions used to calculate regular parking spaces are 9' X 18'; a handicapped space 11' X 18'; a boat trailer space 11' X 45'. Based on 14 seats at tables, retail square footage and possibly 3 employees, staff calculated the need for 10 regular parking spaces. At least one ADA (Americans with Disabilities Act) compliant parking space will probably be needed per Building Code. Zoning section 1905(d) allows the County to require screening on the 90 foot section of property line on the subject property's northwest corner, beside 2-D070-0008-BF. Zoning section 1906(c) states parking spaces shall be appropriately demarcated with wheel stops and handicapped spaces shall be kept clearly visible and distinct.

## **Regulations and Procedure**

**Potential Schedule for Public Hearing(s):** Sept. 5, 2018 Mildred Henry's final Application package was received by the Planning & Zoning Office and was found to be substantially complete as a conceptual plan. Public notices were sent to adjacent property owners and published in the Perquimans Weekly in accordance with Section 2302 of the County's Zoning Ordinance. Pursuant to Section 902, Procedures, the Planning Board did not require additional information or time, so their action at the regularly scheduled Planning Board meeting on October 9<sup>th</sup> allows the case to be scheduled before the Board of County Commissioners (BCC) on November 5<sup>th</sup>.

**Recommendation Procedure:** Perquimans County Zoning Ordinance Section 903 provides for the Planning Board to consider the proposed Conditional Use Permit (CUP) at a public meeting and to make a recommendation to the BCC. In considering the request, the Planning Board and BCC shall use as a guide Sections 903(a) through (d) as summarized in the Table of Findings.

**Consideration of CUP Criteria and Proposed Conditions:** This request for a CUP requires consideration of the Draft Conditional Use Permit, which includes suggested conditions for the proposed site. The Applicant's Site Plan and Statement are formal parts of the CUP. If approved, Mildred Henry will need to record the executed CUP in a timely fashion in the Register of Deeds office. Later, the recorded CUP will be attached to the Applicant's Zoning Permit and then be used by Planning & Zoning staff to determine zoning compliance. Reference is made to the attached Draft Conditional Use Permit, with suggested conditions for the County Commissioner's consideration. If approved, the Draft CUP will be executed by the Applicant and the BCC Chair and recorded by the Applicant in the Register of Deeds.

**Consistency with 2015 Land Use Plan Update:** According to the Projected Future Land Use map Exhibit IX-B, page IX-36 of CAMA's 2016 Land Use Plan Update, the subject area is zoned Residential. The Land Use Plan Update may be viewed in its entirety on the County website at [www.PerquimansCountyNC.gov](http://www.PerquimansCountyNC.gov) (click on "Departments" then "Planning and Zoning" then scroll to the bottom of the page and click on "Perquimans County 2015 Joint CAMA Land Use Plan Update-Recertified 4-26-2017").

General Land Use Plan Objectives on page II-17 of the CAMA Land Use Plan are stated as follows: "*The land use plan should help the County: preserve its rural character; protect and preserve the natural environment; provide adequate public facilities and services; achieve support and consensus for County initiatives; promote unity in its residential and commercial communities; and, make infrastructure improvements that compliment but do not duplicate existing systems.*"

## Recommendations

Planning Staff believes the re-establishment of a convenience store as proposed may be developed in compliance with Section 907.16 Convenience Stores. Due to a long history of cleanliness, no complaints, and being surrounded by water on three sides, screening does not appear to be necessary. Staff feels wheel stops may be addressed best in a condition within the Conditional Use Permit. Planning Board recommended approval of proposed CUP-18-04 and found it to be consistent and in harmony with the existing development pattern around 172 Bethel Fishing Center Road. Planning Board also recommended approval of proposed Draft Conditional Use Permit No. CUP-18-04 as presented adopting Zoning Ordinance section 903 Findings (a) through (d) to support the motion.

**Suggested Motions – Recommendations – Actions:** The Draft CUP, if adopted by the Board of County Commissioners, must contain conditions included by the BCC’s motion, if so moved.

The BCC is requested to consider using one of the following sets of scripts to form the desired motion for approval or denial of each proposed CUP, as follows:

**TWO (2) SUGGESTED ACTIONS TO APPROVE:**

- 1) **CONSISTENCY STATEMENT:** Motion to find proposed Conditional Use Permit No. CUP-18-04 to be consistent and in harmony with the existing development pattern around 172 Bethel Fishing Center Road, Hertford, NC;
- 2) **MOTION TO RECOMMEND APPROVAL:** Motion to approve Conditional Use Permit No. CUP-18-04, for re-establishment of a convenience store at 172 Bethel Fishing Center Road (SR 1356) on parcel 2-D070-0101A-BF, (“as drafted”, or “conditioned upon” : **revise, add or delete from list of conditions contained in the DRAFT Conditional Use Permit**), adopting Findings to support the motion (see Table, below).

**TWO (2) SUGGESTED ACTIONS TO RECOMMEND DENIAL:** Motions to deny Application No. CUP-18-04, and adopting Findings to support the motion would utilize both of the above-noted motions stated in the negative tense.

Dear Perquimans County Commissioners,

I, Mildred Henry, along with my daughter Terry Johnson, request your approval for our application to re-open Bethel Fishing Center. We plan on using the business to sell fishing bait, ice, drinks, snacks and sandwiches. We plan on purchasing kayaks and paddle boats that will be available to rent. The proposed store is located on the Yeopim River. There is direct water access via an on-site boat ramp and docks for fishing. The nature of the items we wish to sell and rent directly correlate with the location of the business and the surrounding community.

I appreciate your consideration in this matter.

Cordially,

A handwritten signature in cursive script that reads "Mildred Henry".

On the date(s) listed below, the Board of Commissioners for Perquimans County met and held a public hearing to consider the following application:

**Applicant/Owner:** Mildred Henry & Terry Johnson  
160 Bethel Fishing Center Road  
Hertford, NC 27944

**Site Location:** 172 Bethel Fishing Center Road, Hertford NC 27944

**Tax Parcel No:** 2-D070-0101A-BF

**Zoning District:** CN, Neighborhood Commercial District

**Proposed Use of Property:** Proposed Use is to re-establish a convenience store on Bethel Fishing Center Road beside the boat ramp. Recreational equipment, such as kayak rentals, will be available and sandwiches may be prepared on site.

**Meeting & Hearing Dates:** Planning Board on 10/9/18 & Board of Commissioners on 11/5/2018.

Having heard all the evidence and argument presented at the hearing(s), the Board of County Commissioners finds that the application is complete, that the application complies with all of the applicable requirements of the Perquimans County Zoning Ordinance for the development proposed, and that therefore the application to make use of the above-described property for the purpose indicated is hereby approved, subject to all applicable provisions of the Zoning Ordinance pertaining to "*Convenience Stores*" (currently Section 907.16 of the Zoning Ordinance) and other conditions, as follows:

- A. Applicant, owners, heirs and assigns shall conduct operations in accordance with the plans and application materials submitted to and approved by the Board of Commissioners (BCC), a copy of which is contained in the County Planning & Zoning Office and filed with Register of Deeds office. Any major modification proposed to the approved plans shall require reapplication and approval by the BCC. "Major Modification" is defined as: "Any significant change in land use, and/or change in the project boundary and/or change that results in an increase in the density or intensity of the project, as shown and described in the approved Conditional Use Permit and Site Plans." However, it is understood that the conceptual layout of the proposed parking areas and traffic circulation pattern as shown on the proposed site plan may require adjustments in the exact locations within the boundaries of the subject property. All required site improvements must be made and shall comply with minimum setbacks, and all screening, buffering, landscaping and parking requirements must be met prior to the County's issuance of Certificate of Zoning Compliance and Certificate of Occupancy, in accordance with applicable sections of the Zoning Ordinance.
- B. The Conditional Use Permit is approved and recorded with the applicant's statement of the nature of the proposed use and conceptual Site Plan, to become the basis for the Zoning Permit issued by the Planning & Zoning Office upon submittal and approval of a final Site Plan. If the Conditional Use Permit is not recorded in the Register of Deeds (ROD) Office by the Applicant within three (3) months from the date of BCC approval, the BCC may revoke the Conditional Use Permit.
- C. Site Considerations: Section 907.16 of the Zoning Ordinance provides for the establishment of a convenience store but at the same time sets certain limits to the size and scope of such a business, as follows:
- (1) A maximum of three thousand (3,000) square feet of gross floor area shall be permitted per establishment.
  - (2) Perquimans County reserves the right to require a buffer to be installed along any property line abutting property used or zoned for residential purposes. Buffer shall meet requirements of Article XVIII (Buffers and Screening) of Perquimans County Zoning Ordinance.
  - (3) No fuel pumps, drive-thru lanes, service windows, nor car washes are allowed.
  - (4) The use shall be limited to providing convenience food and sandwich sales to the surrounding residential or agricultural area.
  - (5) No outside storage of materials shall be permitted with the exception of merchandise normally displayed or stored outside (e.g. ice, fire wood, bottled gas, Christmas trees, beverage and snack machines, newspaper stands and the like).

### **ARTICLE 3. GENERAL PROVISIONS**

#### **SECTION A. BASIS FOR ESTABLISHING THE SPECIAL FLOOD HAZARD AREAS.**

The Special Flood Hazard Areas are those identified by the Federal Emergency Management Agency (FEMA) or produced under the Cooperating Technical State (CTS) agreement between the State of North Carolina and FEMA in its Flood Hazard Boundary Map (FHBM) or Flood Insurance Study (FIS) and its accompanying flood maps such as the Flood Insurance Rate Map(s) (FIRM) and/or the Flood Boundary Floodway Map(s) (FBFM), for Perquimans County dated ~~October 5, 2004~~ November 5, 2018, which, with accompanying supporting data, and any revision thereto, including Letters of Map Amendment or Revision, are adopted by reference and declared to be a part of this ordinance. The Special Flood Hazard Areas also include those defined through standard engineering analysis for private developments or by governmental agencies, but which have not yet been incorporated in the FIRM. This includes, but is not limited to, detailed flood data:

### **ARTICLE 6. LEGAL STATUS PROVISIONS**

#### **SECTION A. EFFECT ON RIGHTS AND LIABILITIES UNDER THE EXISTING FLOOD DAMAGE PREVENTION ORDINANCE.**

This ordinance in part comes forward by re-enactment of some of the provisions of the flood damage prevention ordinance enacted ~~October 5, 2004~~ November 5, 2018 as amended, and it is not the intention to repeal but rather to re-enact and continue to enforce without interruption of such existing provisions, so that all rights and liabilities that have accrued thereunder are reserved and may be enforced. The enactment of this ordinance shall not affect any action, suit or proceeding instituted or pending. All provisions of the flood damage prevention ordinance of Perquimans County enacted on ~~October 5, 2004~~ November 8, 2018, as amended, which are not reenacted herein are repealed.

**ORDINANCE NO. 99**

AN ORDINANCE OF PERQUIMANS COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF NORTH CAROLINA, AMENDING, ADDING AND REPEALING SECTIONS OF THE PERQUIMANS COUNTY FLOOD PLAIN ORDINANCE AS ADOPTED BY ORDINANCE NO. 49, AS PREVIOUSLY AMENDED; THIS ORDINANCE AMENDS ARTICLE 3/SECTION B AND ARTICLE 6/SECTION A OF SAID FLOOD PLAIN ORDINANCE TO CHANGE EFFECTIVE DATES PER STATE REQUIREMENTS.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF PERQUIMANS COUNTY, NORTH CAROLINA THAT:

Article 3 -- Section B. Perquimans County Ordinance No. 49 (Flood Plain Ordinance), as previously amended, is hereby amended by revising Article 3/Section B of said Flood Plain Ordinance to revise effective date; and by updating the effective date in Article 7/Section A. Amended Flood Plain Ordinance is attached as Exhibit A.

Section 2, Severance Clause. It is the intent of the Board of County Commissioners of Perquimans County, North Carolina, and it is hereby provided, that if any section, subsection, sentence, clause, phrase or provision of this Ordinance is held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not be construed as to render invalid or unconstitutional the remaining provisions of this Ordinance; and

Section 3, Effective Date. This Ordinance shall take effect upon its passage and enactment. This Ordinance shall be recorded in a book kept and maintained by the Clerk of the Board of County Commissioners of Perquimans County, North Carolina.

PASSED AND ENACTED by the Board of County Commissioners of Perquimans County, North Carolina, this 5<sup>th</sup> day of November, 2018.

## ORDINANCE NO. 99

FLOOD DAMAGE PREVENTION ORDINANCE

## Non-Coastal Regular Phase

**ARTICLE 1. STATUTORY AUTHORIZATION, FINDINGS OF FACT, PURPOSE AND OBJECTIVES.****SECTION A. STATUTORY AUTHORIZATION.**

**Municipal:** The Legislature of the State of North Carolina has in Part 6, Article 21 of Chapter 143; Parts 3, 5, and 8 of Article 19 of Chapter 160A; and Article 8 of Chapter 160A of the North Carolina General Statutes, delegated the responsibility to local governmental units to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry.

**County:** The Legislature of the State of North Carolina has in Part 6, Article 21 of Chapter 143; Parts 3 and 4 of Article 18 of Chapter 153A; and Part 121, Article 6 of Chapter 153A of the North Carolina General Statutes, delegated the responsibility to local governmental units to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry.

Therefore, the Board of County Commissioners of Perquimans County, North Carolina, does ordain as follows:

**SECTION B. FINDINGS OF FACT.**

(1) The flood prone areas within the jurisdiction of Perquimans County are subject to periodic inundation which results in loss of life, property, health and safety hazards, disruption of commerce and governmental services, extraordinary public expenditures of flood protection and relief, and impairment of the tax base, all of which adversely affect the public health, safety, and general welfare.

(2) These flood losses are caused by the cumulative effect of obstructions in floodplains causing increases in flood heights and velocities and by the occupancy in flood prone areas by uses vulnerable to floods or other hazards.

**SECTION C. STATEMENT OF PURPOSE.**

It is the purpose of this ordinance to promote public health, safety, and general welfare and to minimize public and private losses due to flood conditions within flood prone areas by provisions designed to:

- (1) restrict or prohibit uses that are dangerous to health, safety, and property due to water or erosion hazards or that result in damaging increases in erosion, flood heights or velocities;
- (2) require that uses vulnerable to floods, including facilities that serve such uses, be protected against flood damage at the time of initial construction;
- (3) control the alteration of natural floodplains, stream channels, and natural protective barriers, which are involved in the accommodation of flood waters;
- (4) control filling, grading, dredging, and all other development that may increase erosion or flood damage; and,
- (5) prevent or regulate the construction of flood barriers that will unnaturally divert floodwaters or which may increase flood hazards to other lands.

**SECTION D. OBJECTIVES.**

The objectives of this ordinance are:

- (1) to protect human life and health;
- (2) to minimize expenditure of public money for costly flood control projects;
- (3) to minimize the need for rescue and relief efforts associated with flooding and generally undertaken at the expense of the general public;
- (4) to minimize prolonged business losses and interruptions;
- (5) to minimize damage to public facilities and utilities (i.e. water and gas mains, electric, telephone, cable and sewer lines, streets, and bridges) that are located in flood prone areas;
- (6) to help maintain a stable tax base by providing for the sound use and development of flood prone areas; and,
- (7) to insure that potential buyers are aware that property is in a Special Flood Hazard Area.

**ARTICLE 2. DEFINITIONS.**

Unless specifically defined below, words or phrases used in this ordinance shall be interpreted so as to give them the meaning they have in common usage and to give this ordinance its most reasonable application.

"Accessory Structure (Appurtenant Structure)" means a structure which is located on the same parcel of property as the principal structure and the use of which is incidental to the use of the principal structure. Garages, carports and storage sheds are common urban accessory structures. Pole barns, hay sheds and the like qualify as accessory structures on farms, and may or may not be located on the same parcel as the farm dwelling or shop building.

"Addition (to an existing building)" means an extension or increase in the floor area or height of a building or structure.

"Appeal" means a request for a review of the floodplain administrator's interpretation of any provision of this ordinance.

"Area of Shallow Flooding" means a designated AO Zone on a community's Flood Insurance Rate Map (FIRM) with base flood depths determined to be from one (1) to three (3) feet. These areas are located where a clearly defined channel does not exist, where the path of flooding is unpredictable and indeterminate, and where velocity flow may be evident.

"Area of Special Flood Hazard" see "Special Flood Hazard Area (SFHA)"

"Basement" means any area of the building having its floor subgrade (below ground level) on all sides.

"Base Flood" means the flood having a one (1) percent chance of being equaled or exceeded in any given year.

"Base Flood Elevation (BFE)" means a determination as published in the Flood Insurance Study of the water surface elevations of the base flood.

"Building" see "Structure"

"Chemical Storage Facility" means a building, portion of a building, or exterior area adjacent to a building used for the storage of any chemical or chemically reactive products.

"Development" means any man-made change to improved or unimproved real estate, including, but not limited to, buildings or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations, or storage of equipment or materials.

"Disposal" defined as in NCGS 130A-290(a)(6).

"Elevated Building" means a non-basement building which has its reference level raised above ground level by foundation walls, shear walls, posts, piers, pilings, or columns.

"Encroachment" means the advance or infringement of uses, fill, excavation, buildings, permanent structures or development into a floodplain, which may impede or alter the flow capacity of a floodplain.

"Existing Manufactured Home Park or Manufactured Home Subdivision" means a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including, at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) was completed before the original effective date of the floodplain management regulations adopted by the community.

"Flood" or "Flooding" means a general and temporary condition of partial or complete inundation of normally dry land areas from:

- (1) the overflow of inland or tidal waters; and/or,
- (2) the unusual and rapid accumulation of runoff of surface waters from any source.

"Flood Boundary and Floodway Map (FBFM)" means an official map of a community, issued by the Federal Emergency Management Agency, on which the Special Flood Hazard Areas and the floodways are delineated. This official map is a supplement to and shall be used in conjunction with the Flood Insurance Rate Map (FIRM).

"Flood Hazard Boundary Map (FHBM)" means an official map of a community, issued by the Federal Emergency Management Agency, where the boundaries of the Special Flood Hazard Areas have been defined as Zone A.

"Flood Insurance" means the insurance coverage provided under the National Flood Insurance Program.

"Flood Insurance Rate Map (FIRM)" means an official map of a community, issued by the Federal Emergency Management Agency, on which both the Special Flood Hazard Areas and the risk premium zones applicable to the community are delineated.

"Flood Insurance Study (FIS)" means an examination, evaluation, and determination of flood hazard areas, corresponding water surface elevations (if appropriate), flood insurance risk zones, and other flood data in a community issued by FEMA. The Flood Insurance Study report includes Flood Insurance Rate Maps (FIRMs) and Flood Boundary and Floodway Maps (FBFMs), if published.

"Floodplain" or "Flood Prone Area" means any land area susceptible to being inundated by water from any source.

"Floodplain development permit" means any type of permit including grading, building, or any other development permit that is required in conformance with the provisions of this chapter prior to the commencement of any development activity.

"Floodplain Management" means the operation of an overall program of corrective and preventive measures for reducing flood damage and preserving and enhancing, where possible, natural resources in the floodplain, including but not limited to emergency preparedness plans, flood control works, floodplain management regulations, and open space plans.

"Floodplain Administrator" is the individual appointed to administer and enforce the floodplain management regulations.

"Floodplain Regulations" means this ordinance and other zoning ordinances, subdivision regulations, building codes, health regulations, special purpose ordinances, and other applications of police power which control development in flood-prone areas. This term describes federal, state or local regulations in any combination thereof, which provide standards for preventing and reducing flood loss and damage.

"Floodproofing" means any combination of structural and nonstructural additions, changes, or adjustments to structures, which reduce or eliminate risk of flood damage to real estate or improved real property, water and sanitation facilities, or structures with their contents.

"Flood Prone Area" see "Floodplain"

"Floodway" means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without cumulatively increasing the water surface elevation more than one (1) foot.

"Flood Zone" means a geographical area shown on a Flood Hazard Boundary Map or Flood Insurance Rate Map that reflects the severity or type of flooding in the area.

"Floor" see "Lowest Floor"

"Functionally Dependent Facility" means a facility which cannot be used for its intended purpose unless it is located in close proximity to water, such as a docking or port facility necessary for the loading and unloading of cargo or passengers, shipbuilding, or ship repair. The term does not include long-term storage, manufacture, sales, or service facilities.

"Hazardous Waste Management Facility" means a facility for the collection, storage, processing, treatment, recycling, recovery, or disposal of hazardous waste as defined in NCGS Article 9 of Chapter 130A.

"Highest Adjacent Grade (HAG)" means the highest natural elevation of the ground surface, prior to construction, next to the proposed walls of the structure.

"Historic Structure" means any structure that is:

- (a) listed individually in the National Register of Historic Places (a listing maintained by the US Department of Interior) or preliminarily determined by the Secretary of Interior as meeting the requirements for individual listing on the National Register;
- (b) certified or preliminarily determined by the Secretary of Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as a registered historic district;
- (c) individually listed on a State inventory of historic places;
- (d) individually listed on a local inventory of historic places in communities with historic preservation programs that have been certified
  - (1) by an approved state program as determined by the Secretary of Interior, or
  - (2) directly by the Secretary of Interior in states without approved programs.

"Lowest Adjacent Grade (LAG)" means the elevation of the ground, sidewalk, patio slab, or deck support immediately next to the building after completion of the building. For Zone A and AO, use the natural grade elevation prior to construction.

"Lowest Floor" means the subfloor, top of slab or grade of the lowest enclosed area (including basement). An unfinished or flood resistant enclosure, usable solely for parking of vehicles, building access, or limited storage in an area other than a basement-area is not considered a building's lowest floor provided that such an enclosure is not built so as to render the structure in violation of the applicable non-elevation design requirements of this ordinance.

"Manufactured Home" means a structure, transportable in one or more sections, which is built on a permanent chassis and designed to be used with or without a permanent foundation when connected to the required utilities. The term "manufactured home" does not include a "recreational vehicle".

"Market Value" means the building value, excluding the land (as agreed to between a willing buyer and seller), as established by what the local real estate market will bear. Market value can be established by independent certified appraisal, replacement cost depreciated by age of building (Actual Cash Value) or adjusted assessed values.

"Mean Sea Level" means, for purposes of the NFIP, the National Geodetic Vertical Datum (NGVD) as corrected in 1929, the North American Vertical Datum (NAVD) as corrected in 1988 or other vertical control datum used as a reference for establishing varying elevations within the floodplain, to which Base Flood Elevations (BFEs) shown on a FIRM are referenced. Refer to each FIRM panel to determine datum used.

"New Construction" means structures for which the "start of construction" commenced on or after the effective date of the original version of this ordinance and includes any subsequent improvements to such structures.

"Nonconforming Building or Development" means any legally existing building or development which fails to comply with the current provisions of this ordinance.

"Non-Encroachment Area" means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without cumulatively increasing the water surface elevation more than one (1) foot as designated in the Flood Insurance Study report.

**"Obstruction"** includes, but is not limited to, any dam, wall, wharf, embankment, levee, dike, pile, abutment, protection, excavation, channelization, bridge, conduit, culvert, building, wire, fence, rock, gravel, refuse, fill, structure, vegetation or other material in, along, across or projecting into any watercourse which may alter, impede, retard or change the direction and/or velocity of the flow of water, or due to its location, its propensity to snare or collect debris carried by the flow of water, or its likelihood of being carried downstream.

**"Post-FIRM"** means construction or other development which started on or after January 1, 1975 or on or after the effective date of the initial Flood Insurance Rate Map for the area, whichever is later.

**"Pre-FIRM"** means construction or other development which started before January 1, 1975 or before the effective date of the initial Flood Insurance Rate Map for the area, whichever is later.

**"Public Safety" and/or "Nuisance"** means anything which is injurious to the safety or health of an entire community or neighborhood, or any considerable number of persons, or unlawfully obstructs the free passage or use, in the customary manner, of any navigable lake, or river, bay, stream, canal, or basin.

**"Recreational Vehicle (RV)"** means a vehicle, which is:

- (a) built on a single chassis;
- (b) 400 square feet or less when measured at the largest horizontal projection;
- (c) designed to be self-propelled or permanently towable by a light duty truck; and,
- (d) designed primarily not for use as a permanent dwelling, but as temporary living quarters for recreational, camping, travel, or seasonal use.

**"Reference Level"** is the portion of a structure or other development that must be compared to the regulatory flood protection elevation to determine regulatory compliance of such building. Within Special Flood Hazard Areas designated as zones A1-A30, AE, A, A99, AO, or AH, the reference level is the top of the lowest floor.

**"Regulatory Flood Protection Elevation"** means the elevation to which the reference level of all structures and other development located within the Special Flood Hazard Areas must be elevated or, if non-residential, floodproofed. Within areas where Base Flood Elevations (BFEs) have been determined, this elevation shall be the BFE plus zero (0) feet of freeboard. In areas where no BFE has been established, all structures and other development must be elevated or, if non-residential, floodproofed, whereby the reference level is at least three (3) feet above the highest adjacent grade.

**"Remedy a Violation"** means to bring the structure or other development into compliance with State or Community floodplain management regulations, or, if this is not possible, to reduce the impacts of its noncompliance. Ways that impacts may be reduced include protecting the structure or other affected development from flood damages, implementing the enforcement provisions of the ordinance or otherwise deterring future similar violations, or reducing Federal financial exposure with regard to the structure or other development.

**"Riverine"** means relating to, formed by, or resembling a river (including tributaries), stream, brook, etc.

**"Salvage Yard"** means property used for the storage, collection, and/or recycling of any type of equipment whatsoever, whether industrial or noncommercial, and including but not limited to vehicles, appliances and related machinery.

**"Special Flood Hazard Area (SFHA)"** is the land in the floodplain subject to a one (1%) percent or greater chance of being flooded in any given year as determined in Article 3, Section B of this ordinance.

**"Solid Waste Disposal Facility"** means any facility involved in the disposal of solid waste, as defined in NCGS 130A-290(a)(35).

**"Solid Waste Disposal Site"** defined as in NCGS 130A-290(a)(36).

**"Start of Construction"** includes substantial improvement, and means the date the building permit was issued, provided the actual start of construction, repair, reconstruction, rehabilitation, addition placement, or other improvement was within 180 days of the permit date. The actual start means either the first placement of permanent construction of a structure (including a manufactured home) on a site, such as the pouring of slabs or footings, installation of piles, construction of columns, or any work beyond the stage of excavation; or the placement of a manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading, and filling; nor does it include the installation of streets and/or walkways; nor does it include excavation for a basement, footings, piers, or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or not part of the main structure. For a substantial improvement, the actual start of construction means the first alteration of any wall, ceiling, floor, or other structural part of the building, whether or not that alteration affects the external dimensions of the building.

**"Structure"** means a walled and roofed building, a manufactured home, a gas or liquid storage tank that is principally above ground.

**"Substantial Damage"** means damage of any origin sustained by a structure during any one year period whereby the cost of restoring the structure to its before damaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred. See definition of "substantial improvement".

**"Substantial Improvement"** means any combination of repairs, reconstruction, rehabilitation, addition, or other improvement of a structure, taking place during any one year period for which the cost equals or exceeds 50 percent of the market value of the structure before the "start of construction" of the improvement. This term includes structures which have incurred "substantial damage", regardless of the actual repair work performed. The term does not, however, include either:

- (a) any correction of existing violations of State or Community health, sanitary, or safety code specifications which have been identified by the community code enforcement official and which are the minimum necessary to assure safe living conditions; or,
- (b) any alteration of a historic structure, provided that the alteration will not preclude the structure's continued designation as a historic structure.

"Variance" is a grant of relief from the requirements of this ordinance.

"Violation" means the failure of a structure or other development to be fully compliant with the community's floodplain management regulations. A structure or other development without the elevation certificate, other certifications, or other evidence of compliance required in Articles 4 and 5 is presumed to be in violation until such time as that documentation is provided.

"Watercourse" means a lake, river, creek, stream, wash, channel or other topographic feature on or over which waters flow at least periodically. Watercourse includes specifically designated areas in which substantial flood damage may occur.

"Water Surface Elevation (WSE)" means the height, in relation to mean sea level, of floods of various magnitudes and frequencies in the floodplains of coastal or riverine areas.

**ARTICLE 3. GENERAL PROVISIONS.**

**SECTION A. LANDS TO WHICH THIS ORDINANCE APPLIES.**

This ordinance shall apply to all Special Flood Hazard Areas within the jurisdiction, including Extra-Territorial Jurisdictions (ETJ) if applicable, of Perquimans County and within the jurisdiction of any other community whose governing body agrees, by resolution, to such applicability.

**SECTION B. BASIS FOR ESTABLISHING THE SPECIAL FLOOD HAZARD AREAS.**

The Special Flood Hazard Areas are those identified by the Federal Emergency Management Agency (FEMA) or produced under the Cooperating Technical State (CTS) agreement between the State of North Carolina and FEMA in its Flood Hazard Boundary Map (FHBM) or Flood Insurance Study (FIS) and its accompanying flood maps such as the Flood Insurance Rate Map(s) (FIRM) and/or the Flood Boundary Floodway Map(s) (FBFM), for Perquimans County dated December 21, 2018, which, with accompanying supporting data, and any revision thereto, including Letters of Map Amendment or Revision, are adopted by reference and declared to be a part of this ordinance. The Special Flood Hazard Areas also include those defined through standard engineering analysis for private developments or by governmental agencies, but which have not yet been incorporated in the FIRM. This includes, but is not limited to, detailed flood data:

- (1) generated as a requirement of Article 4, Section C(11 & 12) this Ordinance;
- (2) preliminary FIRMs where more stringent than the effective FIRM; or
- (3) post-disaster Flood Recovery Maps.

**SECTION C. ESTABLISHMENT OF FLOODPLAIN DEVELOPMENT PERMIT.**

A Floodplain Development Permit shall be required in conformance with the provisions of this ordinance prior to the commencement of any development activities within Special Flood Hazard Areas as determined in Article 3, Section B.

**SECTION D. COMPLIANCE.**

No structure or land shall hereafter be located, extended, converted, altered, or developed in any way without full compliance with the terms of this ordinance and other applicable regulations

**SECTION E. ABROGATION AND GREATER RESTRICTIONS.**

This ordinance is not intended to repeal, abrogate, or impair any existing easements, covenants, or deed restrictions. However, where this ordinance and another conflict or overlap, whichever imposes the more stringent restrictions shall prevail.

**SECTION F. INTERPRETATION.**

In the interpretation and application of this ordinance, all provisions shall be:

- (a) considered as minimum requirements;
- (b) liberally construed in favor of the governing body; and,
- (c) deemed neither to limit nor repeal any other powers granted under State statutes

**SECTION G. WARNING AND DISCLAIMER OF LIABILITY.**

The degree of flood protection required by this ordinance is considered reasonable for regulatory purposes and is based on scientific and engineering consideration. Larger floods can and will occur on rare occasions. Actual flood heights may be increased by man-made or natural causes. This ordinance does not imply that land outside the Special Flood Hazard Areas or uses permitted within such areas will be free from flooding or flood damages. This ordinance shall not create liability on the part of Perquimans County or by any officer or employee thereof for any flood damages that result from reliance on this ordinance or any administrative decision lawfully made hereunder.

**SECTION H. PENALTIES FOR VIOLATION.**

Violation of the provisions of this ordinance or failure to comply with any of its requirements, including violation of conditions and safeguards established in connection with grants of variance or special exceptions, shall constitute a misdemeanor. Any person who violates this ordinance or fails to comply with any of its requirements shall, upon conviction thereof, be fined not more than \$50.00 or imprisoned for not more than thirty (30) days, or both. Each day such violation continues shall be considered a separate offense. Nothing herein contained shall prevent Perquimans County from taking such other lawful action as is necessary to prevent or remedy any violation.

**ARTICLE 4. ADMINISTRATION.****SECTION A. DESIGNATION OF FLOODPLAIN ADMINISTRATOR.**

The County Manager or his or her designee, hereinafter referred to as the "Floodplain Administrator", is hereby appointed to administer and implement the provisions of this ordinance.

**SECTION B. FLOODPLAIN DEVELOPMENT PERMIT AND CERTIFICATION REQUIREMENTS.**

- (1) **Plans and Application Requirements.** Application for a Floodplain Development Permit shall be made to the floodplain administrator on forms furnished by him or her prior to any development activities proposed to be located within flood prone areas. The following items/information shall be presented to the floodplain administrator to apply for a floodplain development permit.
- (a) A plot plan drawn to scale which shall include, but shall not be limited to, the following specific details of the proposed floodplain development:
    - i) the nature, location, dimensions, and elevations of the area of development/disturbance; existing and proposed structures, utility systems, grading/pavement areas, fill materials, storage areas, drainage facilities, and other development;
    - ii) the boundary of the Special Flood Hazard Area as delineated on the FIRM or other flood map as determined in Article 3, Section B or a statement that the entire lot is within the Special Flood Hazard Area;
    - iii) flood zone(s) designation of the proposed development area as determined on the FIRM or other flood map as determined in Article 3, Section B;
    - iv) the boundary of the floodway(s) or non-encroachment area(s) as determined in Article 3, Section B;
    - v) the Base Flood Elevation (BFE) where provided as set forth in Article 3, Section B; Article 4, Section C(11 & 12); or Article 5, Section D;
    - vi) the old and new location of any watercourse that will be altered or relocated as a result of proposed development.
  - (b) Proposed elevation, and method thereof, of all development within a Special Flood Hazard Area including but not limited to:
    - i) Elevation in relation to mean sea level of the proposed reference level (including basement) of all structures;
    - ii) Elevation in relation to mean sea level to which any non-residential structure will be flood-proofed;
    - iii) Elevation in relation to mean sea level to which any proposed utility systems will be elevated or flood-proofed;
  - (c) If floodproofing, a floodproofing certificate along with detailed back-up computations and operational plans that specify the location on a FIRM panel, and entity responsible for maintenance and operation of such plans. Floodproofing certificate and back-up computations and operational plans shall be certified by a registered professional engineer or architect to ensure that the non-residential floodproofed development will meet the floodproofing criteria in Article 5, Section B(2) and Section C(2).
  - (d) A Foundation Plan drawn to scale which shall include details of the proposed foundation system to ensure all provisions of this ordinance are met. These details include but are not limited to:
    - i) Proposed method of elevation, if applicable (i.e., fill, solid foundation perimeter wall, solid backfilled foundation, open foundation on columns/piers);
    - ii) Should solid foundation perimeter walls be used in floodplains, details of sufficient openings to facilitate the unimpeded movements of floodwaters in accordance with Article 5, Section B(4);
  - (e) Usage details of any enclosed space below the regulatory flood protection elevation.
  - (f) Plans and/or details for the protection of public utilities and facilities such as sewer, gas, electrical, and water systems to be located and constructed to minimize flood damage;
  - (g) Copy of all other Local, State and Federal permits required prior to floodplain development permit issuance (i.e. Wetlands, Erosion and Sedimentation Control, Riparian Buffers, Mining, etc.)
  - (h) If floodplain development permit is issued for placement of Recreational Vehicles and/or Temporary Structures, documentation to ensure Article 5, Section B(6 & 7) of this code are met.
  - (i) If a watercourse is proposed to be altered and/or relocated, a description of the extent of watercourse alteration or relocation; an engineering report on the effects of the proposed project on the flood-carrying capacity of the watercourse and the effects to properties located both upstream and downstream; and a map (if not shown on plot plan) showing the location of the proposed watercourse alteration or relocation.
- (2) **Floodplain Development Permit Data Requirements.** The following information shall be provided at a minimum on the Floodplain Development Permit to ensure compliance with this code.
- (a) A description of the development to be permitted under the floodplain development permit issuance.
  - (b) The Special Flood Hazard Area determination for the proposed development per available data specified in Article 3, Section B.

- (e) The regulatory flood protection elevation required for the reference level and all attendant utilities.
- (d) The regulatory flood protection elevation required for the protection of all public utilities.
- (c) All certification submittal requirements with timelines.
- (f) State that no fill material shall encroach into the floodway or non-encroachment area of any watercourse, if applicable.

(3) **Certification Requirements.**

- (a) An Elevation Certificate (FEMA Form 81-31) or Floodproofing Certificate (FEMA Form 81-65) is required after the reference level is completed. Within seven (7) calendar days of establishment of the reference level elevation, or floodproofing, by whatever construction means, whichever is applicable, it shall be the duty of the permit holder to submit to the floodplain administrator a certification of the elevation of the reference level, or floodproofed elevation, whichever is applicable in relation to mean sea level. Elevation certification shall be prepared by or under the direct supervision of a registered land surveyor or professional engineer and certified by same. Floodproofing certification shall be prepared by or under the direct supervision of a professional engineer or architect and certified by same. Any work done within the seven (7) day calendar period and prior to submission of the certification shall be at the permit holder's risk. The floodplain administrator shall review the certificate data submitted. Deficiencies detected by such review shall be corrected by the permit holder immediately and prior to further progressive work being permitted to proceed. Failure to submit the certification or failure to make required corrections shall be cause to issue a stop-work order for the project.
- (b) A Final As-Built Elevation Certificate (FEMA Form 81-31) or Floodproofing Certificate (FEMA Form 81-65) is required after construction is completed and prior to Certificate of Compliance/Occupancy issuance. It shall be the duty of the permit holder to submit to the floodplain administrator a certification of final as-built construction of the elevation or floodproofed elevation of the reference level and all attendant utilities. Elevation certification shall be prepared by or under the direct supervision of a registered land surveyor or professional engineer and certified by same. Floodproofing certification shall be prepared by or under the direct supervision of a professional engineer or architect and certified by same. The floodplain administrator shall review the certificate data submitted. Deficiencies detected by such review shall be corrected by the permit holder immediately and prior to Certificate of Compliance/Occupancy issuance. In some instances, another certification may be required to certify corrected as-built construction. Failure to submit the certification or failure to make required corrections shall be cause to withhold the issuance of a Certificate of Compliance/Occupancy.
- (c) If a manufactured home is placed within an A, AO, AE, or A1-30 zone and the elevation of the chassis is above 36 inches in height, an engineered foundation certification is required per Article 5, Section B(3).
- (d) If a watercourse is to be altered or relocated, a description of the extent of watercourse alteration or relocation; an engineering report on the effects of the proposed project on the flood-carrying capacity of the watercourse and the effects to properties located both upstream and downstream; and a map showing the location of the proposed watercourse alteration or relocation shall all be submitted by the permit applicant prior to issuance of a floodplain development permit.
- (e) Certification Exemptions. The following structures, if located within A, AO, AE or A1-30 zones, are exempt from the elevation/floodproofing certification requirements specified in items (a) and (b) above:
  - i) Recreational Vehicles meeting requirements of Article 5, Section B(5)(a);
  - ii) Temporary Structures meeting requirements of Article 5, Section B(7); and
  - iii) Accessory Structures less than 130 square feet meeting requirements of Article 5, Section B(8).

**SECTION C. DUTIES AND RESPONSIBILITIES OF THE FLOODPLAIN ADMINISTRATOR**

Duties of the floodplain administrator shall include, but not be limited to:

- (1) Review all floodplain development applications and issue permits for all proposed development with in flood prone areas to assure that the requirements of this ordinance have been satisfied.
- (2) Advise permittee that additional Federal or State permits (i.e., Wetlands, Erosion and Sedimentation Control, Riparian Buffers, Mining, etc.) may be required, and if specific Federal or State permits are known, require that copies of such permits be provided and maintained on file with the floodplain development permit.
- (3) Notify adjacent communities and the North Carolina Department of Crime Control and Public Safety, Division of Emergency Management, State Coordinator for the National Flood Insurance Program prior to any alteration or relocation of a watercourse, and submit evidence of such notification to the Federal Emergency Management Agency.
- (4) Assure that maintenance is provided within the altered or relocated portion of said watercourse so that the flood-carrying capacity is not diminished.
- (5) Prevent encroachments within floodways and non-encroachment areas unless the certification and flood hazard reduction provisions of Article 5, Section B are met.
- (6) Obtain actual elevation (in relation to mean sea level) of the reference level (including basement) of all attendant utilities of all new or substantially improved structures, in accordance with Article 4, Section B(3).
- (7) Obtain the actual elevation (in relation to mean sea level) to which the new or substantially improved structures and all utilities have been floodproofed, in accordance with Article 4, Section B(3).
- (8) Obtain actual elevation (in relation to mean sea level) of all public utilities, in accordance with Article 4, Section B(3).
- (9) When floodproofing is utilized for a particular structure, obtain certifications from a registered professional engineer or architect in accordance with Article 4, Section B(3) and Article 5, Section B(2).
- (10) Where interpretation is needed as to the exact location of boundaries of the Special Flood Hazard Areas (for example, where there appears to be a conflict between a mapped boundary and actual field conditions), make the necessary interpretation. The person contesting the location of the boundary shall be given a reasonable opportunity to appeal the interpretation as provided in this article.
- (11) When Base Flood Elevation (BFE) data has not been provided in accordance with Article 3, Section B, obtain, review, and reasonably utilize any Base Flood Elevation (BFE) data, along with floodway data or non-encroachment

- area data available from a Federal, State, or other source, including data developed pursuant to Article 5, Section D(2)(b), in order to administer the provisions of this ordinance.
- (12) When Base Flood Elevation (BFE) data is provided but no floodway nor non-encroachment area data has been provided in accordance with Article 3, Section B, obtain, review, and reasonably utilize any floodway data or non-encroachment area data available from a Federal, State, or other source in order to administer the provisions of this ordinance.
  - (13) When the exact location of boundaries of the Special Flood Hazard Areas conflict with the current, natural topography information at the site, the property owner may apply and be approved for a Letter of Map Amendment (LOMA) by FEMA. Maintain a copy of the Letter of Map Amendment issued from FEMA in the floodplain development permit file.
  - (14) Permanently maintain all records that pertain to the administration of this ordinance and make these records available for public inspection.
  - (15) Make on-site inspections of work in progress. As the work pursuant to a floodplain development permit progresses, the floodplain administrator shall make as many inspections of the work as may be necessary to ensure that the work is being done according to the provisions of the local ordinance and the terms of the permit. In exercising this power, the floodplain administrator has a right, upon presentation of proper credentials, to enter on any premises within the jurisdiction of the community at any reasonable hour for the purposes of inspection or other enforcement action.
  - (16) Issue stop-work orders as required. Whenever a building or part thereof is being constructed, reconstructed, altered, or repaired in violation of this ordinance, the floodplain administrator may order the work to be immediately stopped. The stop-work order shall be in writing and directed to the person doing the work. The stop-work order shall state the specific work to be stopped, the specific reason(s) for the stoppage, and the condition(s) under which the work may be resumed. Violation of a stop-work order constitutes a misdemeanor.
  - (17) Revoke floodplain development permits as required. The floodplain administrator may revoke and require the return of the floodplain development permit by notifying the permit holder in writing stating the reason(s) for the revocation. Permits shall be revoked for any substantial departure from the approved application, plans, or specifications; for refusal or failure to comply with the requirements of State or local laws; or for false statements or misrepresentations made in securing the permit. Any floodplain development permit mistakenly issued in violation of an applicable State or local law may also be revoked.
  - (18) Make periodic inspections throughout all special flood hazard areas within the jurisdiction of the community. The floodplain administrator and each member of his or her inspections department shall have a right, upon presentation of proper credentials, to enter on any premises within the territorial jurisdiction of the department at any reasonable hour for the purposes of inspection or other enforcement action.
  - (19) Follow through with corrective procedures of Article 4, Section D.

#### SECTION D. CORRECTIVE PROCEDURES.

- (1) Violations to be Corrected: When the floodplain administrator finds violations of applicable State and local laws, it shall be his or her duty to notify the owner or occupant of the building of the violation. The owner or occupant shall immediately remedy each of the violations of law pertaining to their property.
- (2) Actions in Event of Failure to Take Corrective Action: If the owner of a building or property shall fail to take prompt corrective action, the floodplain administrator shall give the owner written notice, by certified or registered mail to the owner's last known address or by personal service, stating
  - (a) that the building or property is in violation of the Flood Damage Prevention Ordinance;
  - (b) that a hearing will be held before the floodplain administrator at a designated place and time, not later than ten (10) days after the date of the notice, at which time the owner shall be entitled to be heard in person or by counsel and to present arguments and evidence pertaining to the matter; and,
  - (c) that following the hearing, the floodplain administrator may issue an order to alter, vacate, or demolish the building; or to remove fill as appears appropriate.
- (3) Order to Take Corrective Action: If, upon a hearing held pursuant to the notice prescribed above, the floodplain administrator shall find that the building or development is in violation of the Flood Damage Prevention Ordinance, he or she shall issue an order in writing to the owner, requiring the owner to remedy the violation within a specified time period, not less than sixty (60) days. Where the floodplain administrator finds that there is imminent danger to life or other property, he or she may order that corrective action be taken in such lesser period as may be feasible.
- (4) Appeal: Any owner who has received an order to take corrective action may appeal the order to the local elected governing body by giving notice of appeal in writing to the floodplain administrator and the clerk within ten (10) days following issuance of the final order. In the absence of an appeal, the order of the floodplain administrator shall be final. The local governing body shall hear an appeal within a reasonable time and may affirm, modify and affirm, or revoke the order.
- (5) Failure to Comply with Order: If the owner of a building or property fails to comply with an order to take corrective action for which no appeal has been made or fails to comply with an order of the governing body following an appeal, he or she shall be guilty of a misdemeanor and shall be punished at the discretion of the court.

#### SECTION E. VARIANCE PROCEDURES.

- (1) The Board of County Commissioners as established by Perquimans County, hereinafter referred to as the "appeal board", shall hear and decide requests for variances from the requirements of this ordinance.
- (2) Any person aggrieved by the decision of the appeal board may appeal such decision to the Court, as provided in Chapter 7A of the North Carolina General Statutes.
- (3) Variances may be issued for:
  - (a) the repair or rehabilitation of historic structures upon the determination that the proposed repair or rehabilitation will not preclude the structure's continued designation as a historic structure and that the variance is the minimum necessary to preserve the historic character and design of the structure.
  - (b) functionally dependent facilities if determined to meet the definition as stated in Article 2 of this ordinance.
- (4) In passing upon variances, the appeal board shall consider all technical evaluations, all relevant factors, all standards specified in other sections of this ordinance, and:
  - (a) the danger that materials may be swept onto other lands to the injury of others;
  - (b) the danger to life and property due to flooding or erosion damage;

- (c) the susceptibility of the proposed facility and its contents to flood damage and the effect of such damage on the individual owner;
  - (d) the importance of the services provided by the proposed facility to the community;
  - (e) the necessity to the facility of a waterfront location as defined under Article 2 of this ordinance as a functionally dependent facility, where applicable;
  - (f) the availability of alternative locations, not subject to flooding or erosion damage, for the proposed use;
  - (g) the compatibility of the proposed use with existing and anticipated development;
  - (h) the relationship of the proposed use to the comprehensive plan and floodplain management program for that area;
  - (i) the safety of access to the property in times of flood for ordinary and emergency vehicles;
  - (j) the expected heights, velocity, duration, rate of rise, and sediment transport of the flood waters and the effects of wave action, if applicable, expected at the site; and
  - (k) the costs of providing governmental services during and after flood conditions including maintenance and repair of public utilities and facilities such as sewer, gas, electrical and water systems, and streets and bridges.
- (5) A written report addressing each of the above factors shall be submitted with the application for a variance.
- (6) Upon consideration of the factors listed above and the purposes of this ordinance, the appeal board may attach such conditions to the granting of variances as it deems necessary to further the purposes of this ordinance.
- (7) Variances shall not be issued within any designated floodway or non-encroachment area if any increase in flood levels during the base flood discharge would result.
- (8) Conditions for Variances:
- (a) Variances may not be issued when the variance will make the structure in violation of other Federal, State, or local laws, regulations, or ordinances.
  - (b) Variances shall only be issued upon a determination that the variance is the minimum necessary, considering the flood hazard, to afford relief.
  - (c) Variances shall only be issued upon:
    - i) a showing of good and sufficient cause;
    - ii) a determination that failure to grant the variance would result in exceptional hardship; and
    - iii) a determination that the granting of a variance will not result in increased flood heights, additional threats to public safety, or extraordinary public expense, create nuisance, cause fraud on or victimization of the public, or conflict with existing local laws or ordinances.
  - (d) Any applicant to whom a variance is granted shall be given written notice specifying the difference between the Base Flood Elevation (BFE) and the elevation to which the structure is to be built and a written statement that the cost of flood insurance will be commensurate with the increased risk resulting from the reduced reference level elevation. Such notification shall be maintained with a record of all variance actions.
  - (e) The floodplain administrator shall maintain the records of all appeal actions and report any variances to the Federal Emergency Management Agency and the State of North Carolina upon request.

## ARTICLE 5. PROVISIONS FOR FLOOD HAZARD REDUCTION.

### SECTION A. GENERAL STANDARDS.

In all Special Flood Hazard Areas the following provisions are required:

- (1) All new construction and substantial improvements shall be anchored to prevent flotation, collapse, or lateral movement of the structure.
- (2) All new construction and substantial improvements shall be constructed with materials and utility equipment resistant to flood damage.
- (3) All new construction or substantial improvements shall be constructed by methods and practices that minimize flood damages.
- (4) Electrical, heating, ventilation, plumbing, air conditioning equipment, and other service facilities shall be designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding. These include but are not limited to HVAC equipment, water softener units, bath/kitchen fixtures, ductwork, electric meter panels/boxes, utility/cable boxes, appliances (i.e., washers, dryers, refrigerator, etc.), hot water heaters, electric outlets/switches.
- (5) All new and replacement water supply systems shall be designed to minimize or eliminate infiltration of flood waters into the system.
- (6) New and replacement sanitary sewage systems shall be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters.
- (7) On-site waste disposal systems shall be located and constructed to avoid impairment to them or contamination from them during flooding.
- (8) Any alteration, repair, reconstruction, or improvements to a structure which is in compliance with the provisions of this ordinance, shall meet the requirements of "new construction" as contained in this ordinance.
- (9) Non-conforming structures or other development may not be enlarged, replaced, or rebuilt unless such enlargement or reconstruction is accomplished in conformance with the provisions of this ordinance. Nothing in this ordinance shall prevent the repair, reconstruction, or replacement of a building or structure existing on the effective date of this ordinance and located totally or partially within the floodway, non-encroachment area, or stream setback, provided that the bulk of the building or structure below the regulatory flood protection elevation in the floodway, non-encroachment area, or stream setback is not increased and provided that such repair, reconstruction, or replacement meets all of the other requirements of this ordinance.
- (10) New solid waste disposal facilities, hazardous waste management facilities, salvage yards, and chemical storage facilities shall not be permitted in Special Flood Hazard Areas. A structure or tank for chemical or fuel storage incidental to an allowed use or to the operation of a water treatment plant or wastewater treatment facility may be located in a Special Flood Hazard Area only if the structure or tank is either elevated or floodproofed to at least the regulatory flood protection elevation and certified according to Article 4, Section B(3) of this code.
- (11) All development proposals shall be consistent with the need to minimize flood damage.
- (12) All development proposals shall have public utilities and facilities such as sewer, gas, electrical, and water systems located and constructed to minimize flood damage.

(13) All development proposals shall have adequate drainage provided to reduce exposure to flood hazards.

**SECTION B. SPECIFIC STANDARDS.**

In all Special Flood Hazard Areas where Base Flood Elevation (BFE) data has been provided, as set forth in Article 3, Section B, or Article 4, Section C(11 & 12), the following provisions are required:

- (1) Residential Construction. New construction or substantial improvement of any residential structure (including manufactured homes) shall have the reference level, including basement, elevated no lower than the regulatory flood protection elevation.
- (2) Non-Residential Construction. New construction or substantial improvement of any commercial, industrial, or other non-residential structure shall have the reference level, including basement, elevated no lower than the regulatory flood protection elevation. Structures located in A, AO, AE and A1-30 Zones may be floodproofed to the regulatory flood protection elevation in lieu of elevation provided that all areas of the structure below the required flood protection elevation are watertight with walls substantially impermeable to the passage of water, using structural components having the capability of resisting hydrostatic and hydrodynamic loads and the effect of buoyancy. A registered professional engineer or architect shall certify that the standards of this subsection are satisfied. Such certification shall be provided to the official as set forth in Article 4, Section B(3).
- (3) Manufactured Homes.
  - (a) New or replacement manufactured homes shall be elevated so that the reference level of the manufactured home is no lower than the regulatory flood protection elevation.
  - (b) Manufactured homes shall be securely anchored to an adequately anchored foundation to resist rotation, collapse, and lateral movement in accordance with the State of North Carolina Regulations for Manufactured/Mobile Homes, 1995 Edition, and any revision thereto adopted by the Commissioner of Insurance pursuant to NCGS §143-143.15 or a certified engineered foundation. Additionally, when the elevation would be met by an elevation of the chassis thirty-six (36) inches or less above the grade at the site, the chassis shall be supported by reinforced piers or other foundation elements of at least equivalent strength. When the elevation of the chassis is above thirty-six (36) inches in height, an engineering certification is required.
  - (c) All foundation enclosures or skirting shall be in accordance with Article 5, Section B(4).
  - (d) An evacuation plan must be developed for evacuation of all residents of all new, substantially improved or substantially damaged manufactured home parks or subdivisions located within flood prone areas. This plan shall be filed with and approved by the floodplain administrator and the local Emergency Management coordinator.
- (4) Elevated Buildings. For new construction or substantial improvements of elevated buildings that include enclosed areas that are below the regulatory flood protection elevation shall not be designed to be used for human habitation, but shall be designed to be used only for parking of vehicles, building access, or limited storage of maintenance equipment used in connection with the premises, be constructed entirely of flood resistant materials below the regulatory flood protection level in A, AO, AE, and A1-30 zones and meet the following design criteria:
  - (a) Include measures to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwaters. To meet this requirement, the foundation must either be certified by a professional engineer or architect or meet the following minimum design criteria:
    - i) Provide a minimum of two openings on different sides of each enclosed area subject to flooding.
    - ii) The total net area of all openings must be at least one (1) square inch for each square foot of each enclosed area subject to flooding.
    - iii) If a building has more than one enclosed area, each area must have openings on exterior walls to allow floodwater to directly enter.
    - iv) The bottom of all required openings shall be no higher than one (1) foot above the adjacent grade; and,
    - v) Openings may be equipped with screens, louvers, or other opening coverings or devices provided they permit the automatic flow of floodwaters in both directions.
    - vi) Foundation enclosures:
      - 1) Vinyl or other flexible skirting is not considered an enclosure for regulatory purposes. Therefore such skirting does not require openings as outlined above.
      - 2) Masonry or wood underpinning, regardless of structural status, is considered an enclosure and requires openings as outlined above to comply with this ordinance.
  - (b) Access to the enclosed area shall be the minimum necessary to allow for parking of vehicles (garage door) or limited storage of maintenance equipment used in connection with the premises (standard exterior door) or entry to the living area (stairway or elevator). The interior portion of such enclosed area shall not be partitioned or finished into separate rooms, except to enclose storage areas.
- (5) Additions/Improvements.
  - (a) Additions and/or improvements to pre-FIRM structures whereas the addition and/or improvements in combination with any interior modifications to the existing structure
    - i) are not a substantial improvement, the addition and/or improvements must be designed to minimize flood damages and must not be any more non-conforming than the existing structure.
    - ii) are a substantial improvement, both the existing structure and the addition and/or improvements must comply with the standards for new construction.
  - (b) Additions to post-FIRM structures with no modifications to the existing structure shall require only the addition to comply with the standards for new construction.
  - (c) Additions and/or improvements to post-FIRM structures whereas the addition and/or improvements in combination with any interior modifications to the existing structure
    - i) are not a substantial improvement, the addition and/or improvements only must comply with the standards for new construction.
    - ii) are a substantial improvement, both the existing structure and the addition and/or improvements must comply with the standards for new construction.
  - (d) Where a fire wall or independent perimeter load-bearing wall is provided between the addition and the existing building, the addition(s) shall be considered a separate building and only the addition must comply with the standards for new construction.
- (6) Recreational Vehicles. Recreational vehicles placed on sites within a Special Flood Hazard Area shall either:
  - (a) be on site for fewer than 180 consecutive days and be fully licensed and ready for highway use (a recreational vehicle is ready for highway use if it is on its wheels or jacking system, is attached to the site only by quick disconnect type utilities and has no permanently attached additions); or
  - (b) meet all the requirements for new construction, including anchoring and elevation requirements of Article 4, Section B and Article 5, Sections A and B(3).
- (7) Temporary Non-Residential Structures. Prior to the issuance of a floodplain development permit for a temporary structure, the following requirements must be met:

- (a) Applicants must submit to the floodplain administrator a plan for the removal of such structure(s) in the event of a hurricane, flash flood or other type of flood warning notification. The plan must include the following information:
  - i) a specified time period for which the temporary use will be permitted. Time specified should be minimal with total time on site not to exceed one year;
  - ii) the name, address, and phone number of the individual responsible for the removal of the temporary structure;
  - iii) the time frame prior to the event at which a structure will be removed (i.e. minimum of 72 hours before landfall of a hurricane or immediately upon flood warning notification);
  - iv) a copy of the contract or other suitable instrument with a trucking company to insure the availability of removal equipment when needed; and
  - v) designation, accompanied by documentation, of a location outside the Special Flood Hazard Area to which the temporary structure will be moved.
- (b) The above information shall be submitted in writing to the floodplain administrator for review and written approval.
- (8) Accessory Structures. When accessory structures (sheds, detached garages, etc.) are to be placed within a Special Flood Hazard Area, the following criteria shall be met:
  - (a) Accessory structures shall not be used for human habitation (including work, sleeping, living, cooking or restroom areas);
  - (b) Accessory structures shall be designed to have low flood damage potential;
  - (c) Accessory structures shall be constructed and placed on the building site so as to offer the minimum resistance to the flow of floodwaters;
  - (d) Accessory structures shall be firmly anchored in accordance with Article 5, Section A(1);
  - (e) All service facilities such as electrical and heating equipment shall be installed in accordance with Article 5, Section A(4); and
  - (f) Openings to relieve hydrostatic pressure during a flood shall be provided below regulatory flood protection elevation in conformance with Article 5 Section B(4)(a).
  - (g) An accessory structure with a footprint less than 150 square feet that satisfies the criteria outlined above does not require an elevation or floodproofing certificate. Elevation or floodproofing certifications are required for all other accessory structures in accordance with Article 4, Section B(3).

**SECTION C. RESERVED.**

**SECTION D. STANDARDS FOR FLOODPLAINS WITHOUT ESTABLISHED BASE FLOOD ELEVATIONS.**

Within the Special Flood Hazard Areas established in Article 3, Section B, where no Base Flood Elevation (BFE) data has been provided, the following provisions shall apply:

- (1) No encroachments, including fill, new construction, substantial improvements or new development shall be permitted within a distance of twenty feet each side from top of bank or five times the width of the stream whichever is greater, unless certification with supporting technical data by a registered professional engineer is provided demonstrating that such encroachments shall not result in any increase in flood levels during the occurrence of the base flood discharge.
- (2) The regulatory flood protection elevation shall be determined based on one of the following criteria set in priority order:
  - (a) If Base Flood Elevation (BFE) data is available from other sources, all new construction and substantial improvements within such areas shall also comply with all applicable provisions of this ordinance and shall be elevated or floodproofed in accordance with elevations established in accordance with Article 4, Section C(11 & 12).
  - (b) All subdivision, manufactured home park and other development proposals located within Special Flood Hazard Areas shall have Base Flood Elevation (BFE) data provided if development is greater than the lesser of five (5) acres or fifty (50) lots/manufactured home sites. Such Base Flood Elevation (BFE) data shall be adopted by reference per Article 3, Section B to be utilized in implementing this code.
  - (c) When Base Flood Elevation (BFE) data is not available from a Federal, State, or other source, the reference level, including basement, shall be elevated at least three (3) feet above the highest adjacent grade.

**SECTION E. STANDARDS FOR FLOODPLAINS WITH BFE BUT WITHOUT ESTABLISHED FLOODWAYS OR NON-ENCROACHMENT AREAS.**

Along rivers and streams where Base Flood Elevation (BFE) data is provided but neither floodway nor non-encroachment areas are identified for a Special Flood Hazard Area on the FIRM or in the FIS, no encroachments, including fill, new construction, substantial improvements, or other development, shall be permitted unless certification with supporting technical data by a registered professional engineer is provided demonstrating that the cumulative effect of the proposed development, when combined with all other existing and anticipated development, will not increase the water surface elevation of the base flood more than one foot at any point within the community.

**SECTION F. FLOODWAYS AND NON-ENCROACHMENT AREAS.**

Located within the Special Flood Hazard Areas established in Article 3, Section B are areas designated as floodways or non-encroachment areas. The floodways and non-encroachment areas are extremely hazardous areas due to the velocity of floodwaters that have erosion potential and carry debris and potential projectiles. The following provisions shall apply to all development within such areas:

- (1) No encroachments, including fill, new construction, substantial improvements and other developments shall be permitted unless it has been demonstrated through hydrologic and hydraulic analyses performed in accordance with standard engineering practice that the proposed encroachment would not result in any increase in the flood levels during the occurrence of the base flood. Such certification and technical data shall be presented to the floodplain administrator prior to issuance of floodplain development permit.
- (2) If Article 5, Section F(1) is satisfied, all development shall comply with all applicable flood hazard reduction provisions of this ordinance.
- (3) No manufactured homes shall be permitted, except replacement manufactured homes in an existing manufactured home park or subdivision provided the following provisions are met:
  - (a) the anchoring and the elevation standards of Article 5, Section B(3); and
  - (b) the no encroachment standards of Article 5, Section F(1) are met.

**SECTION G. STANDARDS FOR AREAS OF SHALLOW FLOODING (AO ZONES).**

Located within the Special Flood Hazard Areas established in Article 3, Section B, are areas designated as shallow flooding areas. These areas have special flood hazards associated with base flood depths of one (1) to three (3) feet where a clearly defined channel does not exist and where the path of flooding is unpredictable and indeterminate. The following provisions shall apply within such areas:

- (1) All new construction and substantial improvements of all structures shall have the lowest floor, including basement, elevated at least as high as the depth number specified on the Flood Insurance Rate Map (FIRM), in feet, above the highest adjacent grade. If no depth number is specified, the lowest floor, including basement, shall be elevated at least to the regulatory flood protection elevation as defined for the Special Flood Hazard Areas where no BFE has been established.
- (2) All new construction and substantial improvements of non-residential structures may, in lieu of elevation, be completely floodproofed together with attendant utilities and sanitary facilities at least as high as the depth number specified on the Flood Insurance Rate Map (FIRM), in feet, above the highest adjacent grade so that any space below that level is watertight with walls substantially impermeable to the passage of water and with structural components having the capability of resisting hydrostatic and hydrodynamic loads and effects of buoyancy. If no depth number is specified, the lowest floor, including basement, shall be floodproofed at least to the regulatory flood protection elevation as defined for the Special Flood Hazard Areas where no BFE has been established. Certification is required as per Article 4, Section B(3) and Article 5, Section B(2).

**ARTICLE 6. LEGAL STATUS PROVISIONS.**

**SECTION A. EFFECT ON RIGHTS AND LIABILITIES UNDER THE EXISTING FLOOD DAMAGE PREVENTION ORDINANCE.**

This ordinance in part comes forward by re-enactment of some of the provisions of the flood damage prevention ordinance enacted ~~November 5, 2018~~ as amended, and it is not the intention to repeal but rather to re-enact and continue to enforce without interruption of such existing provisions, so that all rights and liabilities that have accrued thereunder are reserved and may be enforced. The enactment of this ordinance shall not affect any action, suit or proceeding instituted or pending. All provisions of the flood damage prevention ordinance of Perquimans County enacted on ~~November 5, 2018~~, as amended, which are not reenacted herein are repealed.

**SECTION B. EFFECT UPON OUTSTANDING BUILDING PERMITS.**

Nothing herein contained shall require any change in the plans, construction, size or designated use of any development or any part thereof for which a floodplain development permit has been granted by the floodplain administrator or his or her authorized agents before the time of passage of this ordinance; provided, however, that when construction is not begun under such outstanding permit within a period of six (6) months subsequent to passage of this ordinance or any revision thereto, construction or use shall be in conformity with the provisions of this ordinance.

**SECTION C. EFFECTIVE DATE.**

This ordinance shall become effective upon adoption.

**SECTION D. ADOPTION CERTIFICATION.**

I hereby certify that this is a true and correct copy of the flood damage prevention ordinance as adopted by the Board of County Commissioners of Perquimans County, North Carolina, on the 5<sup>th</sup> day of November, 2018.

WITNESS my hand and the official seal of Perquimans County, this the 5<sup>th</sup> day of November, 2018.

Mary P. Hunicutt, Clerk to the Board  
Perquimans County Board of Commissioners

- > **Code Red:** The Board discussed how they could help with getting individuals to register their cell phones for the Code Red notification system.

### MISCELLANEOUS ITEMS

The following items were mentioned and discussed:

- > **Chairman Nelson:** Mr. Nelson discussed the fact that a number of surrounding counties would like to join together and apply for funding through the Golden Leaf Program for a ferry dock. This was for information only in case someone asked them about it. As of now, none of the counties are willing to jeopardize their funding that they are individually applying for.
- > **Commissioner Leigh:** Leo Higgins Day has been postponed due to Hurricane Florence. Once the Committee meets and makes a decision on a new date, she will notify Mr. Heath so that he can complete the Resolution proclaiming that day as "Leo Higgins Day".
- > **County Manager Heath:** Mr. Heath explained that several of the trees around the Courthouse needs trimming. They have contracted with a company to accomplish this but it will be done on Saturdays so that it will not interfere with the daily business of the County.
- > **Commissioner Hoffer:** Mr. Hoffer asked what the status was of the old Library facility. Mr. Heath explained that, during their retreat, it was agreed that the building would be vacated after the Library removes all their items from the building. The remaining items will be put up for sale and then the building would be sold. He has talked with Michele Lawrence, Librarian, and she said that they will get the items they want and let him know when they are finished.
- > **Quentin Jackson:** Mr. Jackson, Hertford Town Councilman, expressed his thanks for good work that the County Commissioners and Emergency Services staff did during Hurricane Florence. They were good about keeping the Towns informed. He also addressed Mr. Hoffer's question about notifying businesses that sell alcohol and firearms about the curfew. He said that their police went to each business within the Town limits of Hertford.

### ADJOURNMENT

There being no further business to discuss, the Chairman adjourned the meeting at 7:40 p.m.

**REGULAR MEETING**  
October 1, 2018  
6:55 p.m.

The Perquimans County Board of Commissioners met in a regular meeting on Monday, October 1, 2018, at 6:55 p.m. in the Commissioners Room located on the first floor of the Perquimans County Courthouse Annex.

**MEMBERS PRESENT:** Wallace E. Nelson, Chairman  
Joseph W. Hoffer  
Charles Woodard  
Fondella A. Leigh, Vice Chair  
T. Kyle Jones

**MEMBERS ABSENT:** Edward R. Muzzulin

**OTHERS PRESENT:** Frank Heath, County Manager  
Hackney High, County Attorney  
Mary Hunnicutt, Clerk to the Board

The meeting was called to order by Chairman Nelson. Commissioner Woodard gave the invocation and the Chairman led the Pledge of Allegiance. Afterward, the Chairman explained that the first item of business was to hold a public hearing to receive citizens' comments to consider Conditional Use Permit No. CUP-18-03, requested by Tyler Colson to install a double-wide manufactured home in Old Neck Historic Agricultural District on Parcel No. 5-0051-0015J also known as 444 Old Neck Road, Hertford, NC.

### PUBLIC HEARING

#### Conditional Use Permit No. CUP-18-03, requested by Tyler Colson

Chairman Nelson opened the Public Hearing restating that the purpose of this public hearing is to receive citizens' comments to consider Conditional Use Permit No. CUP-18-03, requested by Tyler Colson to install a double-wide manufactured home in Old Neck Historic Agricultural District on Parcel No. 5-0051-0015J also known as 444 Old Neck Road, Hertford, NC. There were eighteen (18) people present. Rhonda Money, Planner, presented an overview of Mr. Colson's request. She stated that the Planning Board approved the CUP-18-03 with a change in Conditional No. 3 changing the front yard setback from 30 feet to 60 feet to be more consistent with previous CUPs of double-wides placed in Historic Districts. Chairman Nelson asked if there were any questions or comments from the Board. Commissioner Jones asked if, when taking action on CUP-18-03, did we need to amend it to include this change to Condition No. 3. Ms. Money said that they would. There being no further comments or questions from the Board, Mr. Nelson asked if anyone signed up to speak and if there were any comments or questions from the public. Tyler Colson addressed the Board and explained that he was going to have the front setback at 125 feet. There being no further questions from the Board or public, Chairman Nelson closed the Public Hearing at 7:02 p.m. and proceeded with Regular Meeting.

### AGENDA

T. Kyle Jones made a motion to approve the Agenda, as amended. The motion was seconded by Charles Woodard. The Board voted unanimously to approve the Agenda, as amended.

6. Proclamation: The following proclamation was unanimously approved by the Board:

National Long-Term Care  
 Residents' Rights Month 2018  
 Proclamation

Speak Up! Know Your Rights and How to Use Them

Whereas, there are more than 1.6 million individuals living in 16,000 nursing homes; and 1 million individuals living in 50,000 board and care-assisted living facilities in the U.S.; and

Whereas, the federal Nursing Home Reform Act of 1987 guarantees residents their individual rights in order to promote and maintain their dignity and autonomy; and

Whereas, all residents should be aware of their rights so they may be empowered to live with dignity and self-determination; and

Whereas, we wish to honor and celebrate these citizens, to recognize their rich individuality, and to reaffirm their right to vote and participate politically, including the right to have a say in their care; and

Whereas, individuals and groups across the country will be celebrating Residents' Rights Month with the theme "Speak Up! Know Your Rights and How to Use Them" - to emphasize the importance of residents being informed about their rights; being engaged partners in achieving quality care and quality of life; and feeling confident in speaking up about what is important to them.

Now therefore, we, the Perquimans County Board of Commissioners, do hereby proclaim October 2018 as National Long-Term Care Residents' Rights Month, in Perquimans County, and encourages all citizens to join in these important observances.

ADOPTED the 1<sup>st</sup> day of October, 2018.

Wallace E. Nelson, Chairman  
 Perquimans County Board of Commissioners

PRESENTATION & INTRODUCTION OF NEW EMPLOYEES/STAFF

- > Presentation to Paul Kahl, Planning Board: Chairman Nelson made some personal comments about serving on the Planning Board with Paul Kahl. Commissioner Jones stated that Mr. Kahl served on the Planning Board during a difficult time when the Board was considering the Timbermill Wind Farm Project. Mr. Nelson then presented Mr. Kahl with a plaque honoring him for his 13½ years of service on the Planning Board. Mr. Kahl made a few comments.
- > Introduction of Soil & Water Conservation Technician: County Manager Heath introduced Jacob Peele to the Board. Mr. Peele replaces Caitlyn Joyner as the new Soil & Water Conservation Technician. Mr. Peele made a few comments. Chairman Nelson welcomed him to Perquimans County.

BILL JENNINGS, TAX ADMINISTRATOR

Mr. Jennings presented his monthly report. He reported that the upgraded software has been installed. They have a few snags but they are working them out.

SUSAN CHANEY, SOCIAL SERVICES DIRECTOR

Ms. Chaney was not present to give her monthly report.

COMMISSIONER'S CONCERNS/COMMITTEE REPORTS

The following commissioner's concerns/committee reports were given:

- > Commissioner Hoffer: Mr. Hoffer stated that Jackie Frierson, Register of Deeds, had contacted him about finding some way to protect the employee parking spaces around the Courthouse. Commissioner Leigh stated that she had also talked to her. County Manager Heath explained that, on court days, parking is a problem around the Courthouse. He said that he would look into it and see if there is anything that can be done.
- > Chairman Nelson: Mr. Nelson introduced Dr. Robert Wynegar, President of College of the Albemarle, who gave an update on the College of the Albemarle.

UPDATES FROM COUNTY MANAGER

County Manager Heath presented the following updates:

- > Boat Ramp Restrooms: Mr. Heath explained that the construction work is still proceeding on the Boat Ramp Restrooms.
- > Golden Leaf Grant: Mr. Heath reported that all the paperwork has been submitted for Golden Leaf to recommend that we file our application for the Golden Leaf Grant.

PLANNING BOARD & BOARD OF ADJUSTMENT APPOINTMENTS

County Manager Heath explained that, with the retirement of Paul Kahl, the Planning Board has an opening. In addition, Pete Overman has retired from the Board of Adjustment giving it a vacancy also. This matter was discussed during the September Work Session. On motion made by T. Kyle Jones, seconded by Charles Woodard, the Board unanimously appointed John Skinner to the Planning Board for a three-year term effective October 1, 2018. In September, the Board appointed Debbie Reed as a member of the Board of Adjustment leaving a vacancy as an Alternate on the Board of Adjustment. It was the consensus of the Board to table this appointment. They asked that Mr. Tom Corprew be sent a letter asking if he would be willing to serve as an Alternate on the Board of Adjustment. The matter was tabled until next month.

Should be Mr. Tim Corprew

PLANNING ITEM: CUP-18-03, REQUESTED BY TYLER COLSON

A public hearing was held earlier in the meeting to receive citizens' comments to consider Conditional Use Permit No. CUP-18-03, requested by Tyler Colson to install a double-wide manufactured home in Old Neck Historic Agricultural District on Parcel No. 5-0051-0015J also known as 444 Old Neck Road, Hertford, NC 29744. T. Kyle Jones made a motion to approve Conditional Use Permit No. CUP-18-03 as drafted adopting these Findings to support the motion:

- (a) That the use will not materially endanger the public health or safety, if located according to the plans submitted and approved;
- (b) That the use meets all required conditions and specifications;
- (c) That the use will not substantially injure the value of adjoining or abutting property, or that the use is a public necessity; and
- (d) That the location and character of the use, if developed according to the plan as submitted and approved, will be in harmony with the area in which it is to be located and in general conformity with the Perquimans County Land Use Plan.

The motion was seconded by Fondella A. Leigh. The following Conditional Use Permit No. CUP-18-03 was unanimously approved by the Board:

Having heard all the evidence and argument presented at the hearing(s), the Perquimans County Board of Commissioners finds that the application is complete, that the application complies with all of the applicable requirements of the Perquimans County Zoning Ordinance for the development proposed, and that therefore the application to make use of the above-described property for the purpose indicated is hereby approved, subject to all applicable provisions of the Zoning Ordinance pertaining to Doublewide Manufactured Homes and the following conditions:

- (1) The applicant shall conduct operations strictly in accordance with the plans and narrative submitted to and approved by this Board, a copy of which is contained in the County Planning Office and filed with the Register of Deeds office. However, it is understood that the property owner may propose changes to the attached Conceptual Site Plan now or in the future, in coordination with the County Planning Office, to provide for the placement of accessory structures or a complete change in the use of the property pursuant to other land uses which are otherwise permitted outright by the Zoning Ordinance for properties zoned HA, Historic Agriculture District.
- (2) If any of the conditions affixed hereto or any part thereof shall be held invalid or void, then this permit shall be void and of no effect.
- (3) Placement of home (and any other accessory structures proposed in the future) to have a front yard setback that is a minimum of 60 feet from the state road right-of-way.

 WORK SESSION  
 October 15, 2018  
 7:00 p.m.

The Perquimans County Board of Commissioners met in a regular Work Session on Monday, October 15, 2018, at 7:00 p.m. in the Commissioners' Room located on the first floor of the Perquimans County Courthouse Annex.

MEMBERS PRESENT: Wallace Nelson, Chairman      Fondella Leigh, Vice Chair  
 Joseph W. Hoffer      T. Kyle Jones  
 Charles Woodard

MEMBERS ABSENT: Edward R. Muzzulin

OTHERS PRESENT: Frank Heath, County Manager      Mary Hunnicutt, Clerk to the Board

After the Chairman called the meeting to order, Chairman Nelson gave the invocation and led the Pledge of Allegiance. The following matters were discussed.

**ERICK ALNES, COUNTY RANGER FOR PASQUOTANK & PERQUIMANS COUNTIES**

Chairman Nelson introduced Mr. Alnes newly appointed County Ranger for Pasquotank & Perquimans Counties. Mr. Alnes provided an overview of his qualifications and then presented the annual report for N.C. Forest Service for FY 2017-18. After answering several questions, Mr. Alnes thanked the Board for the opportunity to meet and present this report.

**RALPH HOLLOWELL, ALBEMARLE REGIONAL HEALTH SERVICES**

Chairman Nelson recognized Mr. Hollowell who introduced the following staff members: Bonnie Rollman, Billing Clerk; and Ginger Midgett, Finance Officer. Ms. Midgett asked if the Board had received copies of their PCG Billing error explanation of the billing error. Mary Hunicutt, Clerk to the Board, stated that they all received a copy in their Agenda Packets. During a review of the billing reports, it was discovered that there was an error in billing for the disposing of trash from the convenience sites in Perquimans, Chowan, and Gates Counties. The error occurred because they were using tonnage for direct hauls instead of the transferred tonnage. Ms. Midgett explained the following spreadsheet:

Difference		318,884.40		(34,861.50)		(64,170.41)						

After she explained this spreadsheet, she summarized the error that occurred as follows:  
*Beginning in November, 2017, the percentage multiplied by the total tonnage transferred was based on a percentage of direct haul tons instead of transferred tons. In August, 2018, an error was discovered creating nine months (November, 2017 – July, 2018) of incorrect percentages. It showed that Perquimans County's percentage of direct hauls to Bertie landfill was less than Chowan and Gates Counties. This was an error because the opposite is true for transferred trash. The charge difference amounted to \$118,126.40 to be divided between Chowan County (\$1,955.59) and Gates County (\$66,170.81).*

County Manager Heath asked Ms. Midgett to expound on the difference between direct hauls and transferred trash. Mr. Heath asked why there was such a wide difference in our percentages each month. Mr. Hollowell and Ms. Midgett explained how the differences occurred. Mr. Heath explained to Mr. Hollowell that the FY 2017-18 is being audited at this time and that \$118,126.40 is not pocket change and asked if Albemarle Regional Health Services would be willing to have our auditors talk with them to make sure that they understand how this error occurred. Depending on the outcome of their meeting, Mr. Heath will get together with Albemarle Regional Health Services about the \$118,126.40 error. Commissioner Hoffer asked about the changes to the equipment at the Center Hill Convenience site with regard to the changes in the button to compact the trash. Mr. Hollowell explained that OSHA Guidelines would not allow us to make any changes to the compact button. If we do not comply, Albemarle Regional Health Services would not be insured because we broke their requirement. Mr. Hollowell further explained that they are still looking into it.

**MISCELLANEOUS ITEMS**

- The following items were mentioned and discussed:
  - > **New Orleans Work Boat Show:** Chairman Nelson explained that historically, Dave Goss, Economic Development Consultant, and Bob Peele, Wanchese Marine Park, attended the New Orleans Work Boat Show to get contacts for the boat basin. Due to a conflict in his schedule, Dave Goss will not be able to attend. Because Perquimans County has taken over the Perquimans Marine Park for grant application purposes, he asked if the Board would be willing to allow the County to pay for Bob Peele to attend the Boat Show this year so that Perquimans County will have a presence at the show. Mr. Heath explained that the funds are in the budget but Mr. Goss cannot be there. This would allow Bob Peele to go on our behalf. It was the consensus of the Board to fund Mr. Peele's trip.
  - > **Joint Meeting with Town of Hertford:** Chairman Nelson explained that there has been some discussion about holding a joint meeting with the Town of Hertford to talk about general issues. We have received a letter requesting this meeting. Mr. Heath added to Mr. Nelson's comments that they were very specific in their letter that they wished to discuss the old library building. He feels that the Town of Hertford is interested in that space and wishes to discuss it with the Board. Mr. Nelson and Mr. Heath asked the Board what their thoughts were about this meeting and if they would be willing to have it during their November Work Session. The following comments were made:
    - \* **Commissioner Jones:** Mr. Jones asked why they could not tell Mr. Heath and Mr. Nelson what they want to do and then that information would be brought back to the full Board. Mr. Jones said that this was his opinion.

- **Commissioner Hoffer:** Mr. Hoffer said that if they do meet with them that we would need to make sure that the only item to be discussed would be the old library property and that he did not have a problem with them discussing their intentions with the Chairman and County Manager and bringing it back to the Board.
- **Commissioner Jones:** Mr. Jones further explained that he understands their intent but, with the Town of Hertford being so volatile now, he would be nervous as to what it would evolve into. He further stated again that it was his opinion.
- **Commissioner Leigh:** Ms. Leigh stated that, if the letter mentioned the old library, the Agenda should only have that topic on it to discuss with them. She further stated that she is flexible and if they could find out more information she would be willing to do what the majority of the Board wanted to do.
- **Commissioner Hoffer:** Mr. Hoffer said that, if the old library was the only topic, he feels that Mr. Heath and Mr. Nelson could talk to them and let the Board know what they desire. He asked what the Town was planning on using it for. Mr. Heath said that they have not told him yet but he did give Pam Hurdle, Interim Town Manager, a tour of the building.
- **Commissioner Woodard:** Mr. Woodard concurred that they could discuss it with Mr. Heath and Mr. Nelson and then let the Board know. He was also willing to meet with the Town Council if this was the only item to be discussed.
- **Mr. Heath:** Mr. Heath said that one question they would have is if the Board would be willing to give it away and, if not, what would our price would be to sell it. The Board concurred that they would not be willing to give it away. Mr. Woodard stated that maybe Mr. Heath could figure on what it should be worth and then the Board could make a decision as to what the price would be. There are several groups that are interested in purchasing/using it. Mr. Heath said that he would come up with a price and let them know. Chairman Nelson said that he and Mr. Heath would meet with the Town of Hertford to see exactly what they are wanting. Mr. Heath would also research and see about the price to sell it for. The final decision would be presented to the Board for their approval.
- > **Golden Leaf Grant Application Process:** Mr. Heath stated that he had sent the Commissioners a copy of the letter that he had received from Golden Leaf inviting the County to file an application for the grant funds.
- > **Planning Board Appointments:** Chairman Nelson asked if the Board was okay with our process of appointing members to certain County Boards/Committees. The Board was okay on how it is being done now. Mr. Nelson said that he had asked Mr. Heath to check around with other counties to see how they handle their board/committee appointments.
- > **Leo Higgins Day:** Commissioner Leigh stated that Leo Higgins Day was rescheduled to November 10<sup>th</sup> at the Perquimans County High School from 4:30 to 6:30 p.m.

**ADJOURNMENT**

There being no further business to discuss, the Chairman adjourned the meeting at 7:40 p.m.

Subject: Step Raises for Social Services Employee

Enclosed is an Employee Action Form for Syreeta Cullins who was hired in November, 2017 for an Income Maintenance II position. Ms. Cullins was not fully qualified for the IMC II position and therefore was hired as an Income Maintenance Caseworker I working against the II position for a year. Her work against year is completed and she is eligible for the IMC II position in Food & Nutrition Services. I am recommending that she receive a step raise to a Grade 63, Step 1 effective November 1, 2018.

If you have any questions, please do not hesitate to contact me at 426-7373 ext. 128.

**Perquimans County's Vision**

To be a community of opportunity in which to live, learn, work, prosper and play.

Frank & Angela,

According to my records, Frank's term as an Alternate on the RPO Transportation Advisory Committee is due to expire on November 30, 2018. First of all, Frank are you still willing to serve? If so, Angela, is he still eligible to serve? I did not know of the RPO Transportation Advisory Committee had any limitations on how long someone can serve on this Committee. Please let me know something by October 30, 2018 so that I may add this to our November Agenda.

The BCC is requested to consider using one of the following sets of scripts to form the desired motion for approval or denial of each proposed CUP, as follows:

**TWO (2) SUGGESTED ACTIONS TO APPROVE:**

- 1) **CONSISTENCY STATEMENT:** Motion to find proposed Conditional Use Permit No. CUP-18-04 to be consistent and in harmony with the existing development pattern around 172 Bethel Fishing Center Road, Hertford, NC;
- 2) **MOTION TO RECOMMEND APPROVAL:** Motion to approve Conditional Use Permit No. CUP-18-04, for re-establishment of a convenience store at 172 Bethel Fishing Center Road (SR 1356) on parcel 2-D070-0101A-BF, (“as drafted”, or “conditioned upon” : revise, add or delete from list of conditions contained in the DRAFT Conditional Use Permit), adopting Findings to support the motion (see Table, below).

**TWO (2) SUGGESTED ACTIONS TO RECOMMEND DENIAL:** Motions to deny Application No. CUP-18-04, and adopting Findings to support the motion would utilize both of the above-noted motions stated in the negative tense.

**Period of Performance:** September 1, 2018 to February 28, 2021  
**Project Title(s):** County Rescue Operations of a Grain Bin Entrapment Exercise  
**Total Amount of Award:** \$10,000.00  
**MOA#:** 1804-14

North Carolina Emergency Management is pleased to inform you that the federal Fiscal Year (FY) 2018 Homeland Security Grant Program (HSGP) has been approved for funding. In accordance with the provisions of FY 2018 HSGP award, North Carolina Emergency Management hereby awards to the foregoing sub-recipient a grant in the amount shown above. The CFDA number is 97.067 and North Carolina Emergency Management federal grant number is EMW-2018-SS-00053.

**Payment of Funds:** The grant shall be effective upon final approval by North Carolina Emergency Management of the grant budget and program narrative and the execution of the forthcoming Memorandum of Agreement. Grant funds will be disbursed (according to the approved project budget) upon receipt of evidence that funds have been invoiced and products received and/or that funds have been expended (i.e., invoices, contracts, itemized expenses, etc.).

**Conditions:** The sub-recipient shall understand and agree that funds will only be expended for those projects outlined in the funding amounts as individually listed above. Sub-recipient shall also certify the understanding and agreement to comply with the general and fiscal terms and conditions of the grant including special conditions; to comply with provisions of the 2 CFR 200 and all applicable laws governing these funds and all other federal, state and local laws; that all information is correct; that there has been appropriate coordination with affected agencies; that sub-recipient is duly authorized to commit the applicant to these requirements; that costs incurred prior to grant application approval will result in the expenses being absorbed by the sub-recipient; and that all agencies involved with this project understand that federal funds are limited to the period of performance. Sub-recipient must read and sign forthcoming Memorandum of Agreement for acceptance of the award.

**Supplanting:** The sub-recipients confirm that sub-grant funds will not be used to supplant or replace local or state funds or other resources that would otherwise have been available for homeland security activities. In compliance with that mandate, the sub-recipient will certify that the receipt of federal funds through North Carolina Emergency Management shall in no way supplant or replace state or local funds or other resources that would have been made available for homeland security activities.

**MOA Amount:**

Federal:	\$	10,000.00
State:	\$	0.00
Local:	\$	0.00
Total:	\$	10,000.00

**1. Purpose**

The purpose of this Memorandum of Agreement (MOA) is to establish responsibilities and procedures to implement the terms of the US Department of Homeland Security (DHS) HSGP Grant Program. A copy of the complete Federal grant instructions is available at [www.fema.gov](http://www.fema.gov). This agreement is to set forth terms by which the State of North Carolina, Department of Public Safety, North Carolina Emergency Management (Recipient), shall provide HSGP funding to the Sub-recipient to fund projects related to Homeland Security Planning, Operations, Equipment purchases, Training and Exercises. For a more detailed description of the approved Scope of Work, please see Attachment 1.

**2. Program Authorization and Regulations**

This Agreement is authorized under the provisions of (1) Department of Homeland Security Appropriations Act, 2018 (Pub. L. No. 115-141); (2) The 9/11 Commission Act of 2007; (3) Public Law 107-56, (6 U.S.C. § 101 et seq.), the USA Patriot Act of 2001; (4) Public Law 107-296 as amended, the Homeland Security Act of 2002; (5) Public Law 109-295, The Post-Katrina Emergency Management Reform Act of 2006, 6 U.S.C. 752(c); (6) the implementing recommendations or regulations of each Act or Law, if any; (7) the FY 2018 HSGP Notice of Funding Opportunity Announcement (NOFOA) available at [www.fema.gov](http://www.fema.gov) (8) applicable Grants Programs Directorate (GPD) Information Bulletins available at [www.fema.gov](http://www.fema.gov); and (9) the NC Emergency Management Act, Chapter 166A of the North Carolina General Statutes. The funds awarded under this grant must be used in compliance with all applicable state and federal laws to include compliance with N.C.G.S. § 143C-6-23 and 09 NCAC 03M. By accepting this award, the Sub-recipient agrees to use these funds in a manner consistent with state laws and regulations.

**3. Projects managed by the Recipient (State) on behalf of Sub-recipient (Only)**

By checking this Box I request that the Recipient retain funds effective September 1, 2018. Sub-recipient has agreed to receive grant funds from Recipient. Sub-recipient desires for the North Carolina Emergency Management to conduct activities described in Attachment 1 of this MOA, on its behalf with its allocation of \$10,000.00 awarded through the FY 2018 HSGP. Sub-recipient authorizes Recipient to provide the funds to the State of North Carolina, Department of Public Safety, North Carolina Emergency Management to conduct Planning, make Equipment Purchases, and conduct

Training and Exercise activities to improve prevention, protection, preparedness, response, and recovery capabilities. See Attachment 1 for detailed Scope of Work.

#### 4. Compensation

Recipient agrees that it will pay the Sub-recipient complete and total compensation for the services to be rendered by the Sub-recipient. Payment to the Sub-recipient for expenditures under this Agreement will be reimbursed after the Sub-recipient's cost report is submitted and approved for eligible scope of work activity. The original signed copy of this Award and MOA must be signed by the Official(s) authorized to sign below and returned to North Carolina Emergency Management no later than 45 days after award date. The grant shall be effective upon return of the executed Grant Award and MOA and final approval by North Carolina Emergency Management of the grant budget and program narrative. Grant funds will be disbursed (according to the approved project budget) upon receipt of evidence that funds have been invoiced and products received and/or that funds have been expended (i.e., invoices, contracts, itemized expenses, etc.) and/or that all work activities are completed.

Sub-recipients must meet all reimbursement requirements contained herein. Non-compliance may result in denial of reimbursement request(s) or revocation of equipment and/or grant funds awarded for this project.

#### 5. Funding Eligibility Criteria

Federal funds administered through the State are available to local governments to assist in the cost of developing and maintaining a "Comprehensive Homeland Security Response" program. Continued HSGP funding is contingent upon completion of all HSGP funding requirements. The following eligibility criteria must be adhered to during the Grant Program:

##### A. Every participant must:

- i. Be established as a State, Local, or Non-Profit agency by appropriate resolution/ordinance.
- ii. Complete any procurement(s) and expenditures no later than February 28, 2021.
- iii. Provide quarterly progress reports to NCEM Grant Managers, Training and Exercise Officer(s), and Field Branch Staff, as applicable using the latest Grant Quarterly Report form by the following dates: January 15<sup>th</sup>, April 15<sup>th</sup>, July 15<sup>th</sup> and October 15<sup>th</sup>.
- iv. Submit request for reimbursement with all required documentation attached.

##### B. File Retention:

Sub-recipient is required to maintain records and (invoices) of this grant for three years after termination of the grant, or audit if required, or longer where required by law, as outlined below, attached and incorporated by reference. Recipient must meet the financial administration requirements in 2 CFR Part 200 and must maintain a file for each HSGP grant award. The files must be available for review by North Carolina Emergency Management staff for site visits, project closeout and future audits.

However, if a litigation, claim or audit has been initiated prior to the expiration of the three-year period and extends beyond the five-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved. Files must be available for review by North Carolina Emergency Management staff for site visits, project closeout and future audits.

Sub-recipient must include appropriate documentation in the file, including but not limited to the following:

- i. Resolution/ordinance establishing Sub-recipient a State, Local, or Non-Profit
- ii. Grant award and memorandum of agreement/memorandum of understanding and supporting appendices
- iii. Completed appropriate reports with specifications, solicitations, competitive quotes or proposals, basis for selection decisions, purchase orders, contracts, invoices and proof(s) of payment
- iv. Audit findings and corrective action plans
- v. Equipment inventory records with photo documentation of labeling

C. The political subdivision must have an acceptable local travel regulation plan or accept the state travel regulations.

#### 6. Conditions

The Sub-recipient certifies that it understands and agrees that funds will only be expended for those projects outlined in the funding amounts as individually listed in the FY 2018 HSGP Application Packet, incorporated by reference herein. The Recipient certifies that it understands and agrees to comply with the general and fiscal terms and conditions of the grant including special conditions; to comply with provisions of the applicable laws, rules and policies governing these funds; that all information is correct; that there has been appropriate coordination with affected agencies; that it is duly authorized to commit the Sub-recipient to these requirements; that costs incurred prior to grant application approval will result in the expenses being absorbed by the Sub-recipient; and that all agencies involved with this project understand that all Federal funds are limited to the Federal period of performance.

#### 7. Supplantation

Sub-recipients are required to provide assurance that grant funds will not be used to supplant or replace local or state funds or other resources that would otherwise have been available for homeland security activities. In compliance with that mandate, the Sub-recipient certifies that the receipt of Federal funds through North Carolina Emergency Management shall in no way supplant or replace state or local funds or other resources that would have been made available for homeland security activities.

#### 8. Compliance

Sub-recipient shall comply with the applicable statutes, ordinances, regulations, licensing requirements, policies, guidelines and requirements, reporting requirements and certifications and other regulatory matters that are applicable to the conduct of its business and purchase requirements performed under this MOA, including those of Federal requirements and State and local agencies having appropriate jurisdiction and found in the applicable FY 2018 HSGP NOFO announcement. Sub-recipient shall be wholly responsible for the purchases to be made under this MOA and for the supervision of its employees and assistants. Failure to comply with the specified conditions of this MOA will result in the return of funds and/or items to North Carolina Emergency Management.

#### 9. Responsibilities

Recipient:

- A. The Recipient shall provide funding to the Sub-recipient to perform the work activities as described herein.
- B. The Recipient shall conduct a review of the project to ensure that it is in accordance with HSGP requirements.

- I. Comply with the applicable Federal statutes, regulations, policies, guidelines and requirements, reporting requirements and certifications as outlined in the applicable FY 2018 HSGP NOFO announcement and Grant Award and Special Conditions documents.
- J. Comply with current Federal laws, suspension and debarment regulations pursuant to 2 CFR 200 Sub-part F and OMB which states in pertinent part that "effective November 26, 2003, when a non-Federal entity enters into a covered transaction with an entity at a lower tier, the non-Federal entity must verify that the entity is not suspended or debarred or otherwise excluded. Sub-recipient shall be responsible to ensure that it has checked the Federal System for Awards Management (SAM) <https://www.sam.gov/portal/public/SAM/> and the State Debarred Vendors Listing, <http://www.pandc.nc.gov/actions.asp> to verify that contractors or sub-recipients have not been suspended or debarred from doing business with the Federal government,.
- K. Ensure that HSGP funds are not used to support the hiring of any personnel for the purposes of fulfilling traditional public safety duties or to supplant traditional public safety positions and responsibilities.
- L. Non-supplanting Requirement. Federal grant funds shall be used to supplement existing funds, and shall not replace (supplant) funds that have been appropriated for the same purpose.
- M. All materials publicizing or resulting from award activities shall contain this acknowledgement: "This project was supported by a Federal award from the US Department of Homeland Security, Department of Public Safety, North Carolina Emergency Management., Use of the Federal program logo must be approved by DHS. Printed as a legend, either below or beside the logo shall be the words "Funded by US Department of Homeland Security.
- N. The purchase or acquisition of any additional materials, equipment, accessories or supplies or completion of any work activities beyond those identified in this MOA shall be the sole responsibility of Sub-recipient and shall not be reimbursed under this MOA.
- O. Sub-recipient shall have sole responsibility for the maintenance, insurance, upkeep, and replacement of any equipment procured pursuant to this Agreement unless hand receipted or transferred.
- P. Maintain an effective property management system that complies with the following requirements:
  - i. Recipient and Sub-recipient shall take an initial physical inventory of any equipment. Equipment is defined as tangible, non-expendable property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Sub-recipient may have property management guidelines that are more restrictive, requiring a unit of equipment with a value of less than \$5,000 to be inventoried. If so, such equipment purchased under

this award allocation shall be included on the report submitted to Recipient. The grant summary, cost reports with backup documentation, certificate of title, and any other Sub-recipient reports or inventory reports that include information regarding the grant, vendor, invoice number, cost per item, number of items, description, location, condition and identification number may be used to meet this requirement.

- ii. Sub-recipient must ensure a control system exists to ensure adequate safeguards to prevent loss, damage or theft. Sub-recipient shall be responsible for replacing or repairing equipment which is willfully or negligently lost, stolen, damaged, or destroyed. Any loss, damage or theft of the property must be investigated and fully documented, and made part of the official project records.
  - iii. Sub-recipient or equipment owner must ensure adequate maintenance procedures exist to keep the equipment in good condition.
  - iv. Disposition Procedures. Sub-recipient may dispose of the equipment when the original or replacement equipment acquired under the grant award is no longer needed for the original project or program. Items with a fair market value of less than \$5,000 may be retained, transferred or otherwise disposed of with prior approval of Recipient and in accordance with disposition requirements in 2 CFR Part 200. Items with a current per unit standard Federal or fair market value in excess of \$5,000 may be retained, transferred or otherwise disposed of with prior Recipient approval in accordance with disposition requirements in 2 CFR Part 200. Sub-recipient must provide documentation that includes the method used to determine current fair market value.
  - v. Only authorized equipment listed in the Authorized Equipment List (AEL), with appropriate grant listed are eligible for purchases from this grant. For more guidance visit [www.fema.gov](http://www.fema.gov).
- Q. No indirect or administrative costs will be charged to this allocation award.
- R. Sub-recipient must utilize equipment as intended in their project application to NCEM. Any variation from this intended use must be requested in writing and approved by NCEM. Any equipment purchased under the HSGP is subject to use as a regional asset to be utilized by the DHS, North Carolina Emergency Management, or Domestic Preparedness Region partners and statewide as needed. Failure to adhere to this policy might result in revocation of funds allocated for the purchase of said equipment.
- S. Sub-recipient must have a DUNS number, prior to any funds being released. DUNS numbers may be obtained from either of the following web links: [www.dnb.com](http://www.dnb.com) or <http://fedgov.dnb.com/webform>.
- T. Each sub-recipient shall ensure their organization is registered with the System for Award Management (SAM). It is required for all applicants name, address, DUNS number and EIN are up to date in SAM and that the DUNS number used in SAM is the same one used to apply for all FEMA awards. SAM information can be found at <http://www.sam.gov>. Future payments will be contingent on the information provided in SAM; therefore it is imperative that the information is correct.
- U. The purchase or acquisition of any additional materials, equipment, accessories or supplies, or the provision of any training, exercise or work activities beyond that identified in this MOA shall be the sole responsibility of Sub-recipient, and shall not be reimbursed under this MOA.

#### 10. Funding

All terms and conditions of this MOA are dependent upon and subject to the allocation of funds from the DHS and NCEM for the purpose set forth, and the MOA shall automatically terminate if funds cease to be available. Allowable costs shall be determined in accordance with the applicable DHS Program Guidelines, which include, but may not be limited to:

- the FY 2018 HSGP NOFO announcement, available at: [www.fema.gov](http://www.fema.gov); 2 CFR Parts 200 Sub-part F, 215, 220, 225, and 230;
- Federal Acquisition Regulations (FAR) Part 31.2, OMB Circulars A-21, and;
- the DHS Financial Management Guide available at [www.dhs.gov](http://www.dhs.gov).

Allowable costs are also subject to the approval of the State Administrative Agent for the State of North Carolina, the Secretary of the Department of Public Safety.

#### 11. Taxes

HSGP MOA 2018

Sub-recipient shall be considered to be an independent sub-recipient and as such shall be responsible for all taxes.

## 12. Warranty

As an independent sub-recipient, the Sub-recipient will hold the Recipient harmless for any liability and personal injury that may occur from or in connection with the performance of this Agreement to the extent permitted by the North Carolina Tort Claims Act. Nothing in this Agreement, express or implied, is intended to confer on any other person any rights or remedies in or by reason of this Agreement. This Agreement does not give any person or entity other than the parties hereto any legal or equitable claim, right or remedy. This Agreement is intended for the sole and exclusive benefit of the parties hereto. This Agreement is not made for the benefit of any third person or persons. No third party may enforce any part of this Agreement or shall have any rights hereunder. This Agreement does not create, and shall not be construed as creating, any rights enforceable by any person not a party to this Agreement. Nothing herein shall be construed as a waiver of the sovereign immunity of the State of North Carolina.

## 13. Audit Requirements

For all DHS grant programs, Sub-recipient is responsible for obtaining audits in accordance with 2 CFR 200 Subpart F.

## 14. State Property

Sub-recipient shall be responsible for the custody and care of any property purchased with HSGP funds furnished for use in connection with the performance of this Agreement and shall reimburse the Recipient for any loss or damage to said property until the property is disposed of in accordance with HSGP Program requirements. Recipient will not be held responsible for any property purchased under this MOU/MOA. Title to the property purchased with HSGP funds shall be in the Sub-recipient unless noted in section 8 of the MOA.

## 15. Points of Contact

To provide consistent and effective communication between Sub-recipient and the Department of Public Safety, North Carolina Emergency Management, each party shall appoint a Principal Representative(s) to serve as its central point of contact responsible for coordinating and implementing this MOA. The Department of Public Safety, North Carolina Emergency Management contact shall be, Assistant Director for Planning & Homeland Security, the NCEM Grants Management Branch Staff, and the NCEM Field Branch Staff. The Sub-recipient point of contact shall be the HSGP Program Manager or the person designated by the Sub-recipient. All confidential information of either party disclosed to the other party in connection with the services provided hereunder will be treated by the receiving party as confidential and restricted in its use to only those uses contemplated by the terms of this MOA. Any information to be treated as confidential must be clearly marked as confidential prior to transmittal to the other party. Neither party shall disclose to third parties, the other party's confidential information without written authorization to do so from the other party. Specifically excluded from such confidential treatment shall be information that:

- A. As of the date of disclosure and/or delivery, is already known to the party receiving such information.
- B. Is or becomes part of the public domain, through no fault of the receiving party.
- C. Is lawfully disclosed to the receiving party by a third party who is not obligated to retain such information in confidence.
- D. Is independently developed at the receiving party by someone not privy to the confidential information.

## 16. Public Records Access

While this information under Federal control is subject to requests made pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. §552 et. seq., all determinations concerning the release of information of this nature are made on a case-by-case basis by the FEMA FOIA Office. This agreement may be subject to the North Carolina Public Records Act, Chapter 132 of the North Carolina General Statutes.

## 17. Subcontracting

If Sub-recipient subcontracts any or all purchases or services required under this Agreement, then Sub-recipient agrees to include in the subcontract that the subcontractor is bound by the terms and conditions of this MOA. Sub-recipient and any subcontractor agree to include in the subcontract that the subcontractor shall hold Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this MOA. If Sub-recipient

subcontracts any or all purchases or services required under this MOA, a copy of the executed subcontract Agreement must be forwarded to Recipient. A contractual arrangement shall in no way relieve Sub-recipient of its responsibilities to ensure that all funds issued pursuant to this grant be administered in accordance with all state and Federal requirements. Sub-recipient is bound by all special conditions of this grant award as set out in the Grant Application Package and the Grant Award and Special Conditions documents, incorporated by reference herein, as well as all terms, conditions and restrictions of the applicable HSGP NOFO announcement referenced herein.

**18. Situs**

This Agreement shall be governed by the laws of North Carolina and any claim for breach or enforcement shall be filed in State Court in Wake County, North Carolina.

**19. Antitrust Laws**

This Agreement is entered into in compliance with all State and Federal antitrust laws.

**20. Other Provisions/Severability**

Nothing in this Agreement is intended to conflict with current laws or regulations of the State of North Carolina, Department of Public Safety, North Carolina Emergency Management, or the Sub-recipient. If a term of this agreement is inconsistent with such authority, then that term shall be invalid, but the remaining terms and conditions of this agreement shall remain in full force and effect.

**21. Compliance with the law**

Sub-recipient shall be wholly responsible for the purchases to be made under this MOA and for the supervision of its employees and assistants. Sub-recipient shall be responsible for compliance with all laws, ordinances, codes, rules, regulations, licensing requirements and other regulatory matters that are applicable to the conduct of its business and purchase requirements performed under this MOA, including those of Federal requirements and State and local agencies having appropriate jurisdiction and found in the FY 2018 HSGP NOFO announcement.

**22. Entire Agreement**

This Agreement and any annexes, exhibits and amendments annexed hereto and any documents incorporated specifically by reference represent the entire agreement between the parties and supersede all prior oral and written statements or agreements.

**23. Modification**

This Agreement may be amended only by written amendments duly executed by the Recipient and the Sub-recipient.

**24. Certification of eligibility—Under the Iran Divestment Act**

Pursuant to G.S. 147-86.59, any person identified as engaging in investment activities in Iran, determined by appearing on the Final Divestment List created by the State Treasurer pursuant to G.S. 147-86.58, is ineligible to contract with the State of North Carolina or any political subdivision of the State. F. Agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Act, and Regulations, and this assurance.

This assurance is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts, property, discounts or other Federal financial assistance extended after the date hereof to the Recipient by the DHS and is binding on it, other recipients, Sub-recipients, contractors, subcontractors, transferees, successors in interest and other participants in the DHS Program. The person or persons whose signatures appear below are authorized to sign this assurance on behalf of the recipients.

### 30. Assurance of Compliance with Title VI of the Civil Rights Act of 1964

The following clauses shall be included in all deeds, licenses, leases, permits, or similar instruments entered into by Sub-recipient executed in expending these grant funds:

A. The [Sub-recipient, licensee, lessee, permittee, etc., as appropriate] for itself, herself/himself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree [in the case of deeds and leases add "as a covenant running with the land"] that in the event facilities are constructed, maintained, or otherwise operated on the said property described in this [deed, license, lease, permit, etc.] for a purpose for which a DHS program or activity is extended or for another purpose involving the provision of similar services or benefits, the Sub-recipient [licensee, lessee, permittee, etc.] shall maintain and operate such

facilities and services in compliance with all other requirements imposed pursuant to 2 CFR Sub Part F and as said Regulations may be amended.

- B. That in the event of breach of the above nondiscrimination covenants, Sub-recipient shall have the right to terminate the [license, lease, permit, etc.] and to re-enter and repossess said land and the facilities thereon, and hold the same as if said [licenses, lease, permit, etc.] had never been made or issued.
- C. That in the event of breach of any of the above nondiscrimination covenants, Sub-recipient shall have the right to re-enter said lands and facilities thereon, and the above-described lands and facilities shall thereupon revert to and vest in and become the absolute property of Sub-recipient and its assigns.

The following shall be included in all deeds, licenses, leases, permits, or similar agreements entered into by Sub-recipient:

- A. The [Sub-recipient, licensee, lessee, permittee, etc., as appropriate] for herself/himself, his/her personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree [in case of deeds, and leases add "as a covenant running with the land"] that (1) no person on the grounds of race, color, sex, or national origin shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over or under such land and the furnishing services thereon, no person on the grounds of race, color, sex, or national origin shall be excluded from the participation in, be denied the benefits of, or be otherwise subjected to discrimination, and (3) that the [Sub-recipient, licensee, lessee, permittee, etc.] shall use the premises in compliance with all other requirements imposed by or pursuant 2 CFR Sub Part F Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
- B. That in the event of breach of any of the above nondiscrimination covenants, Sub-recipient shall have the right to terminate the [license, lease, permit, etc.] and to re-enter and repossess said land and the facilities thereon, and hold the same as if said [license, lease, permit, etc.] had never been made or issued.
- C. That in the event of breach of any of the above nondiscrimination covenants, Sub-recipient shall have the right to re-enter said land and facilities thereon, and the above described lands and facilities shall thereupon revert to and vest in and become the absolute property of Sub-recipient and its assigns.

\* Reverted clause and related language to be used only when it is determined that such a clause is necessary in order to effectuate the purpose of Title VI of the Civil Rights Act of 1964.

### 31. Assurance of Compliance with Privacy Act

The Sub-recipient agrees:

- A. To comply with the provisions of the Privacy Act of 1974, 5 U.S.C. §552A and regulations adopted there under, when performance under the program involves the design, development, or operation of any system or records on individuals to be operated by the Sub-recipient, its third-party contractors, subcontractors, or their employees to accomplish a DHS function.
- B. To notify DHS when the Sub-recipient or any of its third-party contractors, subcontractors, sub-recipients, or their employees anticipate a system of records on behalf of DHS in order to implement the program, if such system contains information about individuals name or other identifier assigned to the individual. A system of records subject to the Act may not be used in the performance of this Agreement until the necessary and applicable approval and publication requirements have been met.
- C. To include in every solicitation and in every third-party contract, sub-grant, and when the performance of work, under that proposed third-party contract, sub grant, or sub agreement may involve the design, development, or operation of a system of records on individuals to be operated under that third-party contract, sub grant, or to accomplish a DHS function, a Privacy Act notification informing the third party contractor, or sub Recipient, that

it will be required to design, develop, or operate a system of records on individuals to accomplish a DHS function subject to the Privacy Act of 1974, 5 U.S.C. §552a, and applicable DHS regulations, and that a violation of the Act may involve the imposition of criminal penalties; and

- D. To include the text of Sections 30 part A through C in all third party contracts, and sub grants under which work for this Agreement is performed or which is award pursuant to this Agreement or which may involve the design, development, or operation of a system of records on behalf of the DHS.

**32. Certification Regarding Drug-Free Workplace Requirements (Sub-recipients Other Than Individuals)**

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988, 44 CFR Part 17, Sub Part F. The regulations, published in the January 31, 1989 Federal Register, require certification by sub-Recipient, prior to award, that they will maintain a drug-free workplace. The certification set out below is a material representation of the act upon which reliance will be placed when the agency determines to award the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government-wide suspension of debarment, (See 2 CFR Part 200).

- A. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Sub-recipient's workplace and specifying the actions that will be taken against employees for violation of such prohibition.
- B. Establish a drug-free awareness program to inform employees about:
- i. The dangers of drug abuse in the workplace
  - ii. The Sub-recipient's policy of maintaining a drug-free workplace
  - iii. Any available drug counseling, rehabilitation, and employee assistance programs
  - iv. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace
- C. Require that each employee engaged in the performance of the grant be given a copy of the statement required by paragraph A. .
- D. Notifying the employee in the statement required by paragraph (A) that, as a condition of employment under the grant, the employee will:
- i. Abide by the terms of the statement.
  - ii. Notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction.
- E. Notifying the agency within ten days after receiving notice under subparagraph (D) (ii), from an employee or otherwise receiving actual notice of such conviction.
- F. Taking one of the following actions, within 30 days of receiving notice under subparagraph (D)(ii), with respect to any employee who is convicted:
- i. Taking appropriate personnel action against such an employee, up to and including termination.
  - ii. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purpose by federal, state, local health, law enforcement, or other appropriate agency.
- G. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (A), (B), (C), (D), (E), and (F).

**33. Execution and Effective Date**

This grant shall become effective upon return of this original Grant Award and MOA, properly executed on behalf of the Sub-recipient, to North Carolina Emergency Management and will become binding upon execution of all parties to the Agreement. The terms of this Agreement will become effective September 1, 2018. The last signature shall be that of Erik A. Hooks, Secretary for the North Carolina Department of Public Safety.

**34. Term of this Agreement**

This agreement shall be in effect from September 1, 2018 to February 28, 2021.

IN WITNESS WHEREOF, the parties have each executed this Agreement and the parties agree that this Agreement will be effective as of September 1, 2018

**Tool Instructions:**

1. Each row should contain one piece of equipment purchased with or training held using grant funds for current reporting period. Only report purchases and trainings that have already been completed and funds have been expended and drawn down.
2. Choose from the drop-down menu whether the line is for equipment or training, the NIMS Typed Discipline, NIMS Typed Resource and NIMS Type #, as published by FEMA's National Integration Center (NIC) that the equipment supports, if NIMS Typed.
- 2a. If equipment or training is not NIMS Typed, choose "State/Local Other" in drop-down menu and provide State/Local Typing or Community of Interest information in the Comments.
3. Choose whether the piece of equipment or training is to "Sustain Current" existing capabilities or will increase or "Add New" capability.
4. Choose the Core Capability or Capabilities that the Typed Resource supports. If more than one Core Capability is applicable, expand the columns by clicking the '+' above the 'Cost of Purchase' column to show more 'Core Capability Supported' columns.
5. Enter the cost of the equipment or training.
6. Enter additional information in the Comments, including a brief description of whether the training or equipment purchased sustains existing capabilities; adds or improves an existing capability; or builds a new capability from scratch. This new PPE will increase a Type II to a Type I HazMat Entry Team by fulfilling the PPE requirements for a Type I team. This investment completes the upgrade of this team.

This training sustained policy awareness for a State and two Regional JMTs. This training maintains emergency staff awareness that would have otherwise been out-of-date within 3 months of the training.

The ALS Rescue Boat meets State Typing for Water Ambulance. This equipment purchase adds a new capability to the local EMS. Teams will begin training to complete the resource.

63 Responders were trained in structural collapse to support 23 Type II USAR Teams. This training sustained current levels of staffing in anticipation of current staff retiring.

## The Department of Homeland Security Standard Terms and Conditions 2018

The FY 2018 DHS Standard Terms and Conditions apply to all new federal financial assistance awards funded in FY 2018. The DHS financial assistance awards terms and conditions flow down to subrecipients, unless a particular award term or condition specifically indicates otherwise.

### Assurances, Administrative Requirements, Cost Principles, and Audit Requirements

DHS financial assistance recipients must complete either the OMB Standard Form) Standard Form 424B Assurances – Non-Construction Programs, or OMB Standard Form 424D Assurances – Construction Programs as applicable. Certain assurances in these documents may not be applicable to your program, and the DHS financial assistance office (DHS FAO) may require applicants to certify additional assurances. Applicants are required to fill out the assurances applicable to their program as instructed by the awarding agency. Please contact the DHS FAO if you have any questions.

DHS financial assistance recipients are required to follow the applicable provisions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards located at 2 C.F.R. Part 200, and adopted by DHS at 2 C.F.R. Part 3002.

### DHS Specific Acknowledgements and Assurances

All recipients, subrecipients, successors, transferees, and assignees must acknowledge and agree to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff.

1. Recipients must cooperate with any compliance reviews or compliance investigations conducted by DHS.
2. Recipients must give DHS access to, and the right to examine and copy, records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations and other applicable laws or program guidance.
3. Recipients must submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports.
4. Recipients must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.
5. Recipients of federal financial assistance from DHS must complete the *DHS Civil Rights Evaluation Tool* (<https://www.dhs.gov/publication/dhs-civil-rights-evaluation-tool>) within thirty (30) days of receipt of the Notice of Award or, for State Administering Agencies, thirty (30) days from receipt of the DHS Civil Rights Evaluation Tool from DHS or its awarding component agency. Recipients are required to provide this information once every two (2) years, not every time an award is made. After the initial submission, recipients are only required to submit updates. Recipients should submit the completed tool, including supporting materials to [CivilRightsEvaluation@hq.dhs.gov](mailto:CivilRightsEvaluation@hq.dhs.gov). This tool clarifies the civil rights obligations and related reporting requirements contained in the DHS Standard Terms and Conditions. Subrecipients are not required to complete and submit this tool to DHS.

The United States has the right to seek judicial enforcement of these obligations.

#### **Acknowledgment of Federal Funding from DHS**

Recipients must acknowledge their use of federal funding when issuing statements, press releases, requests for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with federal funds.

#### **Activities Conducted Abroad**

Recipients must ensure that project activities carried on outside the United States are coordinated as necessary with appropriate government authorities and that appropriate licenses, permits, or approvals are obtained.

## The Department of Homeland Security Standard Terms and Conditions 2018

### **Age Discrimination Act of 1975**

Recipients must comply with the requirements of the *Age Discrimination Act of 1975* (42 U.S. Code, § 6101 et seq.), which prohibits discrimination on the basis of age in any program or activity receiving federal financial assistance.

### **Americans with Disabilities Act of 1990**

Recipients must comply with the requirements of Titles I, II, and III of the *Americans with Disabilities Act*, which prohibits recipients from discriminating on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities. (42 U.S.C. §§ 12101–12213).

### **Best Practices for Collection and Use of Personally Identifiable Information (PII)**

Recipients who collect PII are required to have a publically-available privacy policy that describes standards on the usage and maintenance of PII they collect. DHS defines personally identifiable information (PII) as any information that permits the identity of an individual to be directly or indirectly inferred, including any information that is linked or linkable to that individual. Recipients may also find the DHS Privacy Impact Assessments: Privacy Guidance and Privacy template as useful resources respectively.

### **Civil Rights Act of 1964 – Title VI**

Recipients must comply with the requirements of Title VI of the *Civil Rights Act of 1964* (42 U.S.C. § 2000d et seq.), which provides that no person in the United States will, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. DHS implementing regulations for the Act are found at 6 C.F.R. Part 21 and 44 C.F.R. Part 7.

### **Civil Rights Act of 1968**

Recipients must comply with Title VIII of the Civil Rights Act of 1968, which prohibits recipients from discriminating in the sale, rental, financing, and advertising of dwellings, or in the provision of services in connection therewith, on the basis of race, color, national origin, religion, disability, familial status, and sex (See 42 U.S.C. § 3601 et seq.), as implemented by the Department of Housing and Urban Development at 24 C.F.R. Part 100. The prohibition on disability discrimination includes the requirement that new multifamily housing with four or more dwelling units—i.e., the public and common use areas and individual apartment units (all units in buildings with elevators and ground-floor units in buildings without elevators)—be designed and constructed with certain accessible features. (See 24 C.F.R. § 100.201.)

### **Copyright**

Recipients must affix the applicable copyright notices of 17 U.S.C. §§ 401 or 402 and an acknowledgement of U.S. Government sponsorship (including the award number) to any work first produced under federal financial assistance awards.

### **Debarment and Suspension**

Recipients are subject to the non-procurement debarment and suspension regulations implementing Executive Orders (E.O.) 12549 and 12689, and 2 C.F.R. Part 180. These regulations restrict federal financial assistance awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs or activities.

### **Drug-Free Workplace Regulations**

You as the recipient must comply with drug-free workplace requirements in Subpart B (or Subpart C, if the recipient is an individual) of 2 CFR part 3001, which adopts the Government-wide implementation (2 CFR part 182) of sec. 5152-5158 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 8101).

## The Department of Homeland Security Standard Terms and Conditions 2018

### Duplication of Benefits

Any cost allocable to a particular federal financial assistance award provided for in 2 C.F.R. Part 200, Subpart E may not be charged to other federal financial assistance awards to overcome fund deficiencies, to avoid restrictions imposed by federal statutes, regulations, or federal financial assistance award terms and conditions, or for other reasons. However, these prohibitions would not preclude recipients from shifting costs that are allowable under two or more awards in accordance with existing federal statutes, regulations, or the federal financial assistance award terms and conditions.

### Education Amendments of 1972 (*Equal Opportunity in Education Act*) – Title IX

Recipients must comply with the requirements of Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681 et seq.), which provide that no person in the United States will, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving federal financial assistance. DHS implementing regulations are codified at 6 C.F.R. Part 17 and 44 C.F.R. Part 19.

### Energy Policy and Conservation Act

Recipients must comply with the requirements of The Energy Policy and Conservation Act (42 U.S.C. § 6201) which contain policies relating to energy efficiency that are defined in the state energy conservation plan issued in compliance with this Act.

### False Claims Act and Program Fraud Civil Remedies

Recipients must comply with the requirements of The False Claims Act (31 U.S.C. § 3729-3733) which prohibits the submission of false or fraudulent claims for payment to the federal government. (See 31 U.S.C. § 3801-3812 which details the administrative remedies for false claims and statements made.)

### Federal Debt Status

Recipients are required to be non-delinquent in their repayment of any federal debt. Examples of relevant debt include delinquent payroll and other taxes, audit disallowances, and benefit overpayments. (See OMB Circular A-129.)

### Federal Leadership on Reducing Text Messaging while Driving

Recipients are encouraged to adopt and enforce policies that ban text messaging while driving as described in E.O. 13513, including conducting initiatives described in Section 3(a) of the Order when on official government business or when performing any work for or on behalf of the federal government.

### Fly America Act of 1974

Recipients must comply with Preference for U.S. Flag Air Carriers (air carriers holding certificates under 49 U.S.C. § 41102) for international air transportation of people and property to the extent that such service is available, in accordance with the *International Air Transportation Fair Competitive Practices Act of 1974* (49 U.S.C. § 40118) and the interpretative guidelines issued by the Comptroller General of the United States in the March 31, 1981 amendment to Comptroller General Decision B-138942.

### Hotel and Motel Fire Safety Act of 1990

In accordance with Section 6 of the *Hotel and Motel Fire Safety Act of 1990*, (15 U.S.C. § 2225a), recipients must ensure that all conference, meeting, convention, or training space funded in whole or in part with federal funds complies with the fire prevention and control guidelines of the *Federal Fire Prevention and Control Act of 1974*, as amended, (15 U.S.C. § 2225).

# *Albemarle Senior Games*

*A Program of the Albemarle Commission Area Agency on Aging*

*"Fun, Fitness & Fellowship"*

October 16, 2018

Frank Heath, County Manager  
Perquimans County  
P.O. Box 45  
Hertford, NC 27944

Dear Mr. Heath,

We have received Perquimans County's contribution to the 2019 Albemarle Senior Games and greatly appreciate your continued support. As previously mentioned, the **Albemarle Senior Games (ASG)** and **SilverArts** are programs of the **Albemarle Commission Area Agency on Aging (AAA)**. Although ASG receives support from the AAA, these programs rely heavily on the generosity of our community to sponsor our efforts. Your contribution assists us with the annual program costs, so we can keep the registration fee at a minimum for our senior participants. The AAA, as well as the ASG participants and volunteers thank you for supporting our program.

This past year, 104 participants from Perquimans County joined us for friendly competition in a variety of events, with some advancing to participate in the North Carolina Senior Games. We want to acknowledge both Beverly Gregory and Penny Trueblood from the Perquimans County Senior Center, for all of their assistance, as well as the Perquimans County Parks and Recreation Department for coordinating the field events, croquet, badminton and table tennis. They did a wonderful job! Without the support of people in our community, our program would not be possible.

We have just secured the dates for 2019, the 35th Anniversary of our local game! As always, we look forward to the expansion of the program and adding new participants to our senior games family.

Thank you again for supporting the Albemarle Senior Games, and believing in the importance of **Fun, Fitness and Fellowship** for the seniors in our region! If you have any questions regarding the ASG program, please do not hesitate to contact me.

Sincerely,

Ashley Lamb

Column Headers from left to right:

1. Total Rxs: This is the total number of Rxs that were adjudicated or attempted to adjudicate through the use of the card (the explanation of the next couple of headers will help explain the necessity of this column).
2. Plan Priced Rxs: Caremark tracks all attempts to use the cards including when the pharmacy offers a lower price than the card can give. This is usually when the pharmacy sells a drug at cost or below cost to create foot traffic for the pharmacy or under a special purchase arrangement. This is the amount of Rxs that the card gave the best price vs. the pharmacy.
3. % Plan Priced Rxs: What percentage of the total attempted Rxs adjudicated via best price with the card.
4. Retail Priced Rxs: How many prescriptions where the pharmacy had a lower price.
5. % Retail Priced Rxs: Percentage of Rxs where the pharmacy had a lower price.
6. Total Drug Cost: All prescriptions totaled together at their card discount prices.
7. Average Drug Cost: Average Drug Cost per Rx at the card discounted price.
8. Retail Submitted Price: What the price would have been if the prescriptions weren't filled with the card.
9. Average Retail Submitted Price: Average Per Prescription price if the card wasn't presented at a discount.
10. Price Savings: Total dollar savings for all Rxs filled with the card.
11. Average Price Savings: Average price savings per prescription.
12. % Price Savings: Percentage price savings per prescription.
13. Total Utilizers: This is the total amount of people who represent the total amount of prescriptions *i.e.* some people fill multiple prescriptions. This gives you an indication of how many residents you are helping.
