The 2016 State of the Region (SOR) will be held in Greenville, NC on **Wednesday, April 20, 2016 from 9:00am - 2:00 pm**. We welcome you to join us to learn about the NCEast Alliance and the activity the organization has generated for the region over the past year. You will hear what happened this past year in our regional economy and will have the opportunity to network with over 400 peers in business & industry, education, economic development and government. Additionally, you'll learn about the fusion of logistics and energy and the anticipated impact of both transportation and energy projects planned for ENC from experts in the fields of logistics and energy production. We are excited to have you join us and look forward to seeing you there!
